this story of rich man and lazarus hell and heaven described in their own words book is about the lives of a rich man and a homeless man and what happened to them in eternity after their respective deaths this first person account is based on a certain rich man and a certain

beggar named lazarus story which jesus christ shared with his disciples in the holy bible s gospel of luke 16 19 31 in chapter 1 i describe how the rich man a certain rich man dressed what he owned who he socialized with where he socialized how he recreated where he recreated how his life was centered around himself his sins how he rejected the lord and how he died in chapter 2 i describe how lazarus a certain homeless man dressed how he survived as a homeless man on the street his poor choices how a miraculous incident which caused lazarus to finally rededicate his life to jesus christ and how he died in chapter 3 i describe what the tormented sinner saw what he feels experiences in hell and the unspeakable agonies he suffers there such as being separated from god s presence in chapter 4 i describe what the comforted saint saw what he feels experiences in heaven and the indescribable peace he experiences there such as being warmed by god s presence this book is a story sharing with readers where not to go hell after death where to go heaven after dying and how to get there salvation through jesus christ

the tale of the rich man and the beggar lazarus is one of jesus most well known parables it s also one of the most misunderstood sections of the bible what was jesus trying to tell us through this parable was he explaining heaven and hell and the afterlife or was he trying to teach us something about how to live godly generous lives read to find the answer inside this booklet the truth about the rich man and lazarus no one has ascended to heaven was the parable of the rich man and lazarus a real story the state of the dead the rich man in mental torment the wicked will be completely burned up live a life of righteousness now

the popularly accepted interpretation of the rich man and lazarus story in the bible is one of the fundamental reasons why many people

believe that hell is a literal place of eternal torture believing this traditional explanation to be invalid the author builds a case to correct this misunderstanding by presenting a comprehensive phrase by phrase examination of luke 16 19 31 in this study the rich man and lazarus are identified with people from the pages of the bible abraham s bosom is recognized as the heart of abraham s faith in christ and hell is revealed as being the death and burial of the rich man s selfish pride in his glorious heritage the rich man s despair prepares him to cry out for mercy but the only mercy available comes through embracing abraham s belief in christ the rich man struggles with accepting abraham s faith a faith that is capsulized in abraham s words of advice to the rich man besides identifying the rich man and lazarus with biblical figures the author also challenges each reader to identify with abraham and lazarus by placing their faith in christ the only hope of resting in abraham s bosom many companion passages are considered in the analysis of this familiar biblical account in order to allow the scriptures to interpret the scriptures

the parable of the rich man and lazarus luke 16 19 31 seems to condemn the rich man to torments in hades for no other apparent reason than his wealth and to reward poor lazarus with bliss at abraham s side for no other apparent reason than his poverty is divine judgment simply a matter of eternal reward for the poor and condemnation for the rich a mathematical function inversely proportional to one s financial net worth or taken another way is not the rich man s prosperity a tangible sign of divine blessing for a life well lived and the poor man s misery an obvious sign of a divine punishment for a life of moral bankruptcy but if this were true then why would god reverse the eternal fates of these men upon their deaths the parable of the rich man and lazarus is one of seven money lover parables in the lucan travel narrative that addresses the issue of whether it is possible to be both rich and christian and if so how so when read utilizing the

socio narratological approach employed in this book these parables come alive with new insights and implications for living a more authentic christian discipleship

this colourfully illustrated story of the rich man and lazarus is taken from luke 16 19 31
