An intimate portrait of James Baldwin offering a new understanding of his life and works as seen through his close relationships and private life. James Baldwin (1924-1987) was a pivotal figure of the twentieth century, an influential author, intellectual, and activist who led a celebrated public life and whose words and image and persona remain current in our culture. Baldwin's many incarnations—son of Harlem, black icon, great twentieth-century writer, race man, prophet, witness—have reemerged in the digital age as Baldwin's work becomes a touchstone for a new generation. It is the private, vulnerable, and messier Baldwin, the man behind the prophet and the online meme, who is the focus of this book. Magdalena J. Zaborowska draws on Baldwin's archives and material legacy from his unpublished papers to his books to his house in France to offer a fresh look at the writer's understated and obscured private life. Taking a cue from Baldwin's own love of the blues, Zaborowska presents his biography as a series of tracks on a vinyl record, introducing, developing, and remixing the themes and relationships from his life. She recounts episodes from Baldwin's troubled childhood, his struggles with sexuality and gender, his intimate relationships, and the overlooked influence of women, Jews, and queers on his writing. This life album revolves around Baldwin's development of a unique worldview: black, queer, humanism, premised on African diaspora aesthetics, resilience, joy, community, internationalism, activism, and justice.

discusses the life of James Baldwin, his activism in civil rights, and the importance of his writings.

Scott develops readings of *Tell Me How Long the Train's Been Gone*, *If Beale Street Could Talk*, and *Just Above My Head* that explores the interconnected themes in Baldwin's work: the role of the family in sustaining the arts, the price of success in American society, and the struggle of black artists to change the ways that race, sex, and masculinity are represented in American culture.

James Baldwin was a uniquely prophetic voice in American letters. His brilliant and provocative essays made him the literary voice of the civil rights era, and they continue to speak with powerful urgency to us today, whether in the swirling debate over the Black Lives Matter movement or in the words of Raoul Peck's documentary *I Am Not Your Negro*. This book is the most comprehensive gathering of Baldwin's nonfiction ever published, with burning passion and jabbing epigrammatic wit. Baldwin fearlessly articulated issues of race and democracy and American identity, including notes of a native son, *Nobody Knows My Name*, *The Fire Next Time*, *No Name in the Street*, *The Devil Finds Work*, and other essays.
