traditional chinese edition of the secret daily teachings by the author of the new york times bestseller the secret rhonda byrne in traditional chinese annotation copyright tsai fong books inc distributed by tsai fong books inc

this book critically analyses the creation and effects of spirituality as both discourse and practice in japan it shows how the value of spirituality has been sustained by scholars who have wished for a more civic role for religion by the publishing industry whose exponential growth in the 1980s fashioned those who later identified as the representatives of this new spirituality culture by spiritual therapists who have sought to eke out a livelihood in an increasingly professionalized and regulated therapeutic field and by the cruel optimism of an increasingly precarious workforce placing its

hopes in the imagined alternative that the supirichuaru represents ioannis gaitanidis offers a new transdisciplinary conceptualisation of alternativity that can be applied across and beyond the disciplines of religious studies media studies popular culture studies and the anthropology sociology of medicine

an awe inspiring compilation of the most uplifting and powerful real life stories from readers of the worldwide bestseller the secret discover how everyday people completely transformed their lives by applying the teachings of the secret since the very first publication of the secret a decade ago rhonda byrne s bestselling book has brought forth an explosion of real people sharing real stories of how their real lives have miraculously changed for the better how the secret changed my life presents a selection of the most heartwarming and moving stories in one inspirational volume each story provides an authentic real life illustration of the pathway that leads to success in every area of life money health relationships love family and career the people in how the secret changed my life show time and again that no one is excluded from living the life of their dreams
