diary of a emotional teen a twin peak book

a study of twin peaks the first foray into television for film director david lynch it addresses topics which include the series cult status its obsession with doubling and its silencing of women it also analyses the series from feminist deconstructionist and semiotic perspectives

from the author of mystery train and lipstick traces an exhilarating and provocative investigation of the tangle of american identity america is a place and a story made up of exuberance and suspicion crime and liberation lynch mobs and escapes its greatest testaments are made of portents and warnings biblical allusions that lose all certainty in the american air it is this story of self invention and nationhood that greil marcus

rediscovered beginning with John Winthrop's invocation of America as a city on the hill Lincoln's second inaugural address and Martin Luther King Jr's speech about his American dream listening to these prophetic founding statements Marcus explores America's promise as a new Jerusalem and the nature of its covenant first with God and then with its own citizens in the nineteenth century this vision of the nation's story was told in public as part of common discourse to be fought over in plain speech and flights of gorgeous rhetoric since then Marcus argues it has become cryptic a story told more in art than in politics he traces it across the continent and through time hearing the tale in the disparate voices of writers filmmakers performers and actors Philip Roth David Lynch David Thomas Allen Ginsberg Sheryl Lee and Bill Pullman in the shape of things to come the future and the past merge in extraordinary and uncanny ways and Marcus proves once again that he is our most imaginative and original cultural critic

This three volume collection of original essays examines cult pop culture the often seedy underbelly of American popular culture cult pop culture how the fringe became mainstream is the first collection dedicated to the quirky offbeat aspects of American popular culture that people have loved enjoyed and in some cases worshiped over the last 50 years by examining the people and subjects we hold most dear this three volume set offers deep insights into what Americans think feel and cherish organized by subject the collection enables readers to focus on a given topic or compare different subjects across cult phenomenon volume one of the set covers film and television topics volume two examines music and literature and volume three explores sports clubs and the cult industry through this investigation of sublime transcendent and idiosyncratic trends readers will learn more about iconic individuals topics and subjects that form the vast underbelly of American culture by revealing how tightly interwoven cult topics are with the public's broader notion

of popular culture the collection underscores the blurry line between normal and abnormal grandiose and degradation

the american cultural imaginary is hungry for death and thus representations of death are prominently repeated and serialized in us literature and media stella castelli shows how american culture fetishizes death as part of a repetition compulsion which stems from the inability of language to satisfactorily grasp death taking an intermedial approach she investigates the forms and tropes born from this preoccupation with death and conceptualizes its imagination alongside an appetite which manifests as repetitive encoding these metaphors of food consumption provide a hermeneutic framing for analyzing representations of death across american literature and media

the culture club puts the history of art and philosophy through a shredder throws the remains in a plastic bag with a torn up copy of last month s rolling stone and some old tv guides tips everything out on the floor and glues the pieces where they land now vincent van gogh finds himself sharing studio space with prince and steven spielberg john cage guest stars on the muppet show and futurist composer luigi russolo does the orbit with grandmaster flash it s not exactly the way you learned history at school more like a visit to some weird nightclub where albert camus takes the stage to read from the outsider while the dust brothers seamlessly mix the cure into the saturday night fever soundtrack what is this place is that friedrich nietzsche talking to elvis presley over there and was that really marcel duchamp s fountain you saw in the toilets craig schuftan is on hand to make the introductions in the culture club grab a drink pull up a chair and let him convince you that french dramatist antonin artaud really is just as important to the history of rock and roll as guns n roses
