than a book it s your personal roadmap to a life of fulfillment abundance and harmony

in the seven spiritual laws of success deepak chopra distills the essence of his teachings into seven simple yet powerful principles that can easily be applied to create success in all areas of your life based on natural laws that govern all of creation this book shatters the myth that success is the result of hard work exacting plans or driving ambition instead chopra offers a life altering perspective on the attainment of success once we understand our true nature and learn to live in harmony with natural law a sense of well being good health fulfilling relationships energy and enthusiasm for life and material abundance will spring forth easily and effortlessly filled with timeless wisdom and practical steps you can apply right away this is a book you will cherish for a lifetime for within its pages are the secrets to making all your dreams come true a must read for anyone who missed the prophet by kahlil gibran the new york times

the physics of love our goal in life should be to attain enlightenment but at the same time we should never make enlightenment our goal it is through acts of love that we attain enlightenment it comes as a reward for living a life of love it is through understanding love and demonstrations of love that brings enlightenment just as planting a seed and giving it sunlight and water brings forth flowers this is the science of love and its just as exacting as any other science the 7 laws of human nature is a philosophy of life explaining how love works through laws hypotheses and logic to reach a theory of the oneness of universal love this philosophy gives an understanding of where we are going and the process of how we get there

this book is mainly based on the seven hermetic principles of reality and being as described in the hermetic text the kybalion a study of the hermetic philosophy of ancient egypt and greece and it could be considered its commentary the seven laws of reality can be considered as the essential principles of all the western and eastern spiritual wisdom traditions and can be employed in order to realize one s nature of pure being and change one s life conditions and circumstances in final analysis truth is always found to be the same whether stated in modern scientific terms or in the language of ancient religion or philosophy the only difference being in the form of presentation always bearing in mind that no human formula will ever be able to describe every side of it part one of the book describes the seven hermetic laws or principles which govern reality the principle of mind the principle of cause and effect the principle of vibration the principle of correspondence the principle of polarity or opposites the principle of rhythm or cyclicity and the principle of gender part two offers many useful methods that can be employed in order to discover one s nature of pure being and change one s conditions and circumstances by working with the seven hermetic laws of reality

these seven time tested proven principles and techniques will help produce lasting life change in any teaching situation wilkinson shares secrets of the forgotten mindset to help teachers renew their desire to teach and of speed teaching that enables students to remember three times more than normal outlines plans for securing high achievement from low achievers and more

whether you teach in a church context christian school public school in the home or on the job the 7 laws of the learner will equip you to accomplish god s purposes for educationthe transformation of lives by meeting needs through the accurate communication of the essential truths these fourteen dvd video sessions provide a total training experience

provides information on ways to make an impact on students lives covering such topics as effecting a lasting life change creating an excitement for learning and transforming apathetic students

seven laws of eternity to become happy and healthy

in our faith journeys we need direction to achieve our desired goals the seven laws of faith provides a step by step approach to understanding our journeys growing in knowledge and achieving desired ends faith is often taken for granted and in many respects can be seen as events and instant solutions to problems the seven laws of faith shows the essence of relationships and is expressed in worship and service we can move from having faith in god to having the faith of god and exercising the power and authority that he generously gives faith can only grow through belief love worship and service this is the dynamic faith that can move mountains

the seven laws of teaching by john milton gregory first published in 1886 is a rare manuscript the original residing in one of the great libraries of the world this book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation restoration editors mission is to bring long out of print manuscripts back to life some smudges annotations or unclear text may still exist due to permanent damage to the original work we believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it

the 7 laws of enough is about the most radical kind of change at the personal organizational and societal level a shift from scarcity to sustainable abundance these seven principles pioneered by leadership consultants gina laroche and jennifer cohen guide readers on a transformational journey of self discovery towards new leadership strategies and a renewed sense of fulfillment and purpose it starts with law number one stories matter we are all living in the story of scarcity the story that tells us we don t have enough we want more and more perpetuating a vicious cycle of consumption that lowers our own well being and irreparably damages the earth this book is an invitation to live in another story the story of sustainable abundance the ripples from making this shift are profound it will change your relation to your loved ones your work and the planet essential for spiritual seekers business leaders and environmentalists alike the 7 laws of enough points the way towards a new way of living and leading

people ask how can they have a better life people are seeking joy happiness and the stability of both bring the seven laws of living into the foreground of life peace purpose and prosperity is yours life is the genesis of a great experience on earth the soul journey much of these ideas beliefs or general knowledge of how to operate on a productive level were lost long ago the great distraction by those separated and dark hearted with a willingness to stop others worldly wealth is a by product of right thinking feeling and really magnetizing all resources to serve your purpose continue on a disconnected path of i want i cannot see and i have pain then nothing can be restored on a path of enlightenment all are miscommunications with life application and the soul what does that mean much has come against you in the world of stuff structural hindrances also the unseen works to keep you in a state of fear panic and flight live without limits live the immortal viewpoints of life free yourself the author is revealing jesus own words and viewpoints on these key universal laws and all biblical applications for all people not by

religion race color or creed all have a god given inheritance called purpose live by his invitation of application of dimensional and universal power through the seven laws of living then peace purpose and prosperity is the outcome of your immortal nature god and jesus desire all to join us the great revealing is at hand god s hand the light of your life is to be reinstated join in the awareness of your greatness you need only claim the gift of his covenant to start living in your heart a gift from my heart to yours jesus jeshuah god i am source
