while working for manifest inc computer wizard carl sherwood becomes overly involved with a new game which he is developing

what did a high school varsity basketball team and a nine year old boy with cancer have to do with each other during the 2010 2011 season the basketball team encouraged and lifted up the nine year old the nine year old encouraged and lifted up the basketball team this is the story of how a local high school basketball team helped my son patrick through the difficult chemotherapy he was receiving to treat stage three acute lymphoblastic lymphoma they didn't know anything about patrick other than that he was a big fan when the season started as the season went on all thirteen players began to reach out to patrick eventually he became part of the team their interactions and support gave patrick windows of time when he was not a cancer patient he was a fan and a teammate patrick served as an example to the team that there is more to life than basketball he showed them that life is the big game and that the little things really do matter i think this is a great story and all young athletes should read this it reminds us all that there is always somebody watching you and you are making a difference in their life one way or another dan harwood teacher and basketball coach at magruder high school

seeking balance the story of a principal's second semester continues the story of fictional principal joe gentry's first year on the job like its predecessor reality calling the story of a principal's first semester this book is crafted from authentic experiences shared by principals

this part of the story picks up in january as joe anticipates his mid year evaluation as winter turns to spring he reflects on lessons learned and seeks to build on successes and correct his mistakes throughout joe seeks guidance and support from his wife mentors and two friends who are also new principals as the months roll by he navigates the complexities of school leadership and seeks balance between personal and professional life leadership and management and theory and the real world this extended real world case study provides an authentic unvarnished account of a fully human principal knee deep in what is appropriately called the toughest job in education the book concludes with joe anticipating an end of the year meeting with his two friends to reflect on their progress toward becoming the leaders they have envisioned

digital gaming s cultural significance is often minimized much in the same way that the middle ages are discounted as the backward and childish precursor to the modern period digital gaming reimagines the middle ages challenges both perceptions by examining how the middle ages have persisted into the contemporary world via digital games as well as analyzing how digital gaming translates adapts and remediates medieval stories themes characters and tropes in interactive electronic environments at the same time the middle ages are reinterpreted according to contemporary concerns and conflicts in all their complexity rather than a distinct time in the past the middle ages form a space in which theory and narrative gaming and textuality identity and society are remediated and reimagined together the essays demonstrate that while having its roots firmly in narrative traditions neomedieval gaming where neomedievalism no longer negotiates with any reality beyond itself and other medievalisms creates cultural palimpsests multiply layered trans temporal artifacts digital gaming re imagines the middle ages demonstrates that the medieval is more than just a stockpile of historically static facts but is a living subversive presence in contemporary culture

following in the tradition of recent work by cultural geographers and historians of maps this collection examines the apparently familiar figure of robin hood as he can be located within spaces that are geographical cultural and temporal the volume is divided into two sections the first features an interrogation of the literary and other textually transmitted spaces to uncover the critical grounds in which the robin hood legend has traditionally operated the essays in part two take up issues related to performative and experiential space demonstrating the reciprocal relationship between page stage and lived experience throughout the volume the contributors contend with among other things modern theories of gender literary detective work and the ways in which the settings that once advanced court performances now include digital gaming and the enactment of real lives
