fourteenth century mystic and prophet lady julian of norwich was an innovator and theologian in her own right whose message is one of the goodness of god and all creation

julian of norwich c 1343 c 1416 is the earliest woman writer of english we know about although she described herself as a simple creature unlettered julian is now widely recognized as one of the great speculative theologians of the middle ages whose thinking about god as love has made a permanent contribution to the tradition of christian belief this book presents a much needed new edition of julian s writings in middle english one that makes possible the serious reading and study of her thought not just for specialists but for all medievalists this edition includes separate texts of both julian s works a vision showed to a devout woman and a revelation of love with modern punctuation and partly regularized spelling a second analytic edition of a vision printed underneath the text of a revelation to facilitate study of the relationship between the works facing page explanatory notes with translations of difficult words and phrases cross references to other parts of the text and citations of biblical and other sources an appendix of life records and early responses to julian s thought and an analytic bibliography the volume also provides an accessible introduction to julian s life and writings

Julian's Cell is a unique work of historical fiction an attempt to imagine Julian of Norwich's life as it could have been this is the earthy story of Katherine daughter of a stern and bitter mother married at age 16 to Walter she loses both her children and her husband during the great plagues she has visions of the passion of Christ and becomes an anchoress she is buried alive in a cell attached to St Julian's church to lead a life devoted to prayer and spiritual counsel today she is known as Mother Julian or Julian of Norwich the first woman to write in the English language and one of the greatest Christian theologians and mystics of all time

This fascinating study of the life and work of Julian of Norwich the 14th century English mystic whose *Revelations* is among the most popular and influential works of Christian mysticism is the first book to combine an historical reconstruction of Julian's life in 14th century Norwich with a comprehensive commentary on her revelations in a new and faithful translation from the Middle English unlike other brief summaries of Julian's life and times this book goes in depth to uncover the political cultural social and religious milieu that formed and deeply influenced her development as a woman and a mystic additionally unlike other textual companions to Julian's work that provide only short explanations of Middle English words or merely footnote theological terms this work gives the reader a detailed analysis of her writings illuminating her ground breaking mystical theology with extensive scholarship throughout the book creates a strong dramatic arc for Julian's revelations that interweaves her personal sufferings and burning questions with her visionary experiences producing a compelling spiritual biography

Julian of Norwich an anchoress of the fourteenth century has captured the imagination of our time in a remarkable way she shares with her readers the deepest and most intimate experiences of her life through her writings this detailed study of Julian attempts not only to penetrate her theological ideas but also brings to life her world and her life as an anchoress Grace Jantzen has more than an academic interest in Julian's writings and sets out to integrate scholarly findings with contemporary spirituality there is much in the thought of this extraordinary woman mystic which is excitingly relevant her insights into spiritual growth and wholeness foreshadow the modern interest in psychotherapy and her image of Christ as mother has resounding implications for Christian feminist theology in a new introduction to this edition the author explores what it might mean to be an anchoress in post modernity and how reflections on Julian of Norwich and her desire for God can enable us to become the space of divine transformation this is a book not only for those who have a scholarly interest in Julian but also for anyone drawn to Christian mysticism and the place of women within that tradition Julian of Norwich an anchoress of the fourteenth century has captured the imagination of our time in a remarkable way she shares with her readers the deepest and most intimate experiences of her life through her writings

In her revelations Julian shows great charm in the childlike tender quality of her expression she sees God as one who delights in his creation and desires that we would

recognize this and participate julian's attitude regarding the all shall be well largely depends on acceptance of the limitations of our own vision and the knowledge that the vastness of divine providence is mysterious julian has remained a continual evolving manuscript for numerous individuals both of the laity clergy and scholastic vocations this is quite remarkable since the flip side of this story is the ladder of perfection by walter hilton o.s.a. which many contend was written to julian this work has a life of its own and is continually resurfacing julian emphasizes numerous points of doctrine with an exquisite joy focusing on the bliss and glory rather than the idea of earth's being a battleground for good and evil this is one thing which sets her apart from many others regardless of their gender

spend a month in the company of julian of norwich with sixty two reflections to enrich your mornings and evenings julian of norwich was a fourteenth century mystic whose writings vividly convey the love of god and his presence in suffering these 62 readings help you bookend the day with deep contemplation according to her vision of god he has always been imparting unconditional love janina ramirez from julian of norwich a very brief history this series helps us to be properly nurtured by the living radical christian tradition of faith mark oakley author and dean of st john's college cambridge

these essays written specifically for this book provide a rich evaluation of this late 14th and early 15th century mystical writer's book of revelations and considers the construction of her narrative its theological complexity and its literary and intellectual context this casebook features discussions by both established scholars and newer voices ranging from genre to eschatology and gynecology to diabolology reflecting both current and comparative theory providing translations of all middle english quotations the volume includes a selective bibliography that provides a guide for further reading

this book offers a series of reflections on the christian life based on the book of shewings or revelations of julian of norwich who has her place in literature alongside chaucer and langland as well as being one of the great spiritual writers of the fourteenth century each chapter begins with a text from julian followed by a reflection on the text the author who lectures in church history and in christian spirituality reveals the timeless relevance of julian's message

the long text of the showings translated by father john julian is accompanied by commentary written by frederick s. rodin a lay affiliate member of the order of julian of norwich this companion is reflective yet learned and is designed to draw the reader more fully into an understanding and experience of what julian tells us she saw and heard in the text and commentary we begin to comprehend the truth summarized at the end of the showings love was his meaning

for centuries readers have comfortably accepted julian of norwich as simply a mystic in this astute book denys turner offers a new interpretation of julian and the

significance of her work turner argues that this fourteenth century thinker s sophisticated approach to theological questions places her legitimately within the pantheon of other great medieval theologians including thomas aquinas bernard of clairvaux and bonaventure julian wrote but one work in two versions a short text recording the series of visions of jesus christ she experienced while suffering a near fatal illness and a much expanded long text exploring the theological meaning of the showings some twenty years later turner addresses the apparent conflict between the two sources of julian s theology on the one hand her personal revelation of god s omnipotent love and on the other the church s teachings on and her own witnessing of evil in the world that deserves punishment even eternal punishment offering a fresh and elegant account of julian s response to this conflict one that reveals its nuances systematic character and originality this book marks a new stage in the century long rediscovery of one of the english language s greatest theological thinkers

drawing directly from julian s text the commentary addresses a variety of topics including the infinite nature of god the life of prayer god s suffering with us the eternal and undying life of the soul the motherhood of jesus and the motherhood of god all shall be well and more

julian s revelations considered as autobiography and theology shedding new light on one of the outstanding figures of the medieval english church
