this expert guide to japanese architecture is of enormous historical importance to the understanding of japanese design and culture pioneering japanologist a l sadler s invaluable study of japanese architecture first appeared in 1941 considered a classic in its field unequalled in clarity and insight japanese architecture a short history is a lucid and uncomplicated introduction to this important aspect of japanese culture beginning with the earliest evidence from prehistory and ending with the edo period when japan attained stature as a modern state japanese architecture is as relevant today as it was in 1941 the book includes an overview of japanese domestic architecture as it evolved through successive periods of history and perfected the forms so widely admired in the west of particular importance in this respect are the four concluding chapters in which the distinctive features of the japanese house are presented in clear detail the architecture book also contains excellent illustrations which show details of planning and construction

toyotomi hideyoshi wants to serve the emperor as a samurai in the 16th century and through his perseverance and hard work he becomes the taiko the absolute ruler of japan in the emperor s name

in this book social scientists scrutinize the middle decades of the nineteenth century in japan that scrutiny is important and overdue for the period from the 1850s to the 1880s has usually been treated in terms of politics and foreign relations yet those decades were also of pivotal

importance in japan s institutional modernization as the japanese entered the world order they experienced a massive introduction of western style organizations sweeping reforms without the class violence or the utopian appeal of revolution created the foundation for a modern society the meiji restoration introduced a political transformation but these chapters address the more gradual social transition originally published in 1986 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905

by the time u s commodore matthew perry s squadron of four ships sailed into tokyo bay on july 8 1853 the japanese tokugawa government had already fended off similarly unwelcome intrusions by the french the russians the dutch and the british these western imperialists had the power and the means to force japan into the kinds of treaties that would effectively spell the end of japan s autonomy maybe even its existence as an independent country at the same moment japan was also grappling with a serious insurrection the death of an emperor and the death of a shogun as well as with a series of natural disasters and associated famines the japanese response to this incredible series of catastrophes would permanently alter the balance of geopolitical power around the world drawing on the best recent scholarship this short introductory volume examines the motivations and maneuvers of the major participants in the conflict and sets the opening of japan in the context of broader global history selections from twenty nine primary sources provide firsthand accounts of the event from a variety of perspectives several illustrations are also included along with a note on historiographic interpretation

during the sengoku era the period of warring provinces in fifteenth and sixteenth century japan warlords vied for supremacy and sought to expand their influence over the realm powerful religious institutions also asserted their military might by calling upon their adherents to do battle against forces that threatened their spiritual and secular interests the hongANJI branch of jodo shinshu true pure land sect buddhism was one such powerhouse that exercised its military will by fanning violent uprisings of ikko ikki loosely structured leagues of one mind made up of mostly commoners who banded together to fight for or against any number of causes usually those advanced by the hongANJI s patriarch carol richmond tsang delves into the complex and often contradictory relationship between these ikko leagues and the hongANJI institution moving beyond the simplistic characterization of ikki as peasant uprisings the author argues cogently for a fuller picture of ikko ikki as a force in medieval japanese history by exploring the political motivations and machinations of the hongANJI and the diverse aims and allegiances of its ikko followers tsang complicates our understanding of ikko ikki as a multifaceted example of how religion and religious belief played out in a society in conflict

the oldest and most respected martial arts title in the industry this popular monthly magazine addresses the needs of martial artists of all levels by providing them with information about every style of self defense in the world including techniques and strategies in addition black

belt produces and markets over 75 martial arts oriented books and videos including many about the works of bruce lee the best known marital arts figure in the world

includes list of clubs societies associations etc

this sociology text which focuses on modern japan establishes a historical and cultural context then presents coverage of institutions stratification problems and social change it provides cross cultural and global material for students with no prior knowledge of japan or sociology
