the stationers company 1960 examines the corporate existence under one name or another of the stationers company over five hundred and fifty years at some periods of its life it was of importance only to its own members while at others it played parts of consequence in the history of the city of london and even in the history of england

the stationers company 1960 examines the corporate existence under one name or another of the stationers company over five hundred and fifty years at some periods of its life it was of importance only to its own members while at others it played parts of consequence in the history of the city of london and even in the history of england

this major revisionist reference work explains for the first time how the stationers company acquired both a charter and a nationwide monopoly of printing in the most detailed and comprehensive investigation of the london book trade in any period peter blayney systematically documents the story from 1501 when printing first established permanent roots inside the city boundaries until the stationers company was incorporated by royal charter in 1557 having exhaustively re examined original sources and scoured numerous archives unexplored by others in the field blayney radically revises accepted beliefs about such matters as the scale of native production versus importation privileges and patents and the regulation of printing by the church crown and city his persistent focus on individuals most notably the families rivals and successors of richard pynson john rastell and robert redman keeps this study firmly grounded in the vivid lives and careers of early tudor londoners

for more than 400 years the stationers company has been a focus for the conduct of the print and book trade booksellers stationers printers binders other producers and dealers united with a common purpose to protect their trade interests and to exert control in such matters as the number of master printers in recent years as the company s archives have been opened up to researchers and as new evidence has come to light from other sources the relationship of the stationers company to the book trade as a whole has been shown to be more complex than had been previously imagined the stationers company in all its aspects is shown to be central to any study of book trade history in britain

this volume provides a thorough analysis of the company of stationers drawing heavily on unpublished company records author timothy feist places the stationer s co in the context of the burgeoning consumer society of the 18th century relates the almanacs content with the political developments of the post revolution whig state he argues that the almanac s creation production distribution need to be understood through the commercial imperatives driving the company which controlled the monopoly feist s discussion of almanac content in the early 18th century stresses its preoccupation with order harmony unity he skillfully links the almanacs association of political with mathematical order

the introduction gives an account of the nature of the material found in the records and is revised and enlarged from a report by the editor presented to the society in december 1927

this book discusses copyright protection of unpublished works including letters diaries manuscripts photographs memoranda sketches private journals government records and drafts intended for future publication under contemporary british copyright law unpublished works are protected by the copyright designs and patents act 1988 in addition the berne convention anticipates that unpublished works shall receive protection while unpublished works are in general assimilated to the treatment of published ones notable differences in the strength of protection afforded to published and unpublished works remain it is the case that contemporary british copyright law confers stronger and longer protection on unpublished works for instance the unpublished status of a work assumes pivotal significance in the framework for determining qualification for copyright protection the extent of copyright protection exceptions to copyright infringement and the remedies for copyright infringement the principal aim of the book is to consider whether copyright in unpublished works is justified a task which is prosecuted from historical normative and legal perspectives although the book s primary focus is the treatment of unpublished works in britain it also relies extensively on

materials from other common law jurisdictions the book contributes to the understanding of why cumulative protection of unpublished works emerged and how exceptions to rights in unpublished works evolved moreover the analysis deployed in the book aids the task of applying the law to new circumstances

entered at stationers hall offers a concise historical sketch of the company of stationers an important institution in the history of english publishing and copyright this work explores the origins privileges and functions of the stationers company which played a crucial role in regulating the book trade in london for centuries from its early days as a trade guild to its later responsibilities in copyright registration the company s influence shaped the landscape of literary production and distribution readers interested in the history of the book the development of copyright law and the social and economic context of early modern london will find this sketch informative it provides a valuable glimpse into the workings of a powerful organization that helped to define the relationship between authors printers and the reading public this short work provides a foundational understanding of the historical underpinnings of modern publishing this work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it this work was reproduced from the original artifact and remains as true to the original work as possible therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work this work is in the public domain in the united states of america and possibly other nations within the united states you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work as a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public we appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant
