a perfect companion to the bestselling art of war this fascinating book provides lessons from ancient china on the dynamics of conflict

what is peace we value it so highly but find it so difficult to define recognize or grasp is it something that is

given to us do we make it anew each day like bread can we start where we are does it have anything to do with our lives and how we think or is it about the politics of nations one hundred forty poems teach inspire and awaken us to the meaning of peace

with its lively demystifying approach the tao of inner peace shows how the tao can be a powerful and calming source of growth inspiration and well being in times of conflict and anxiety translated more often than any other book except the bible the tao te ching has been a spiritual guide for centuries helping millions find peace within themselves with each other and with the natural world around them written in workbook style complete with exercises questionnaires journal keeping techniques and affirmations the tao of inner peace translates the ancient eastern philosophy into a plan for contemporary western living diane dreher ph d shows the way to bring greater joy fulfillment and creativity to daily life heal the body and spirit build self acceptance and self esteem resolve conflict reverse negative cycles of emotion understand life as a process of changes and challenges an essential handbook for mental wellness the tao of inner peace adapts the principles of tao to today's world showing us how to integrate the many facets of our everyday lives to create a balanced dynamic harmonious whole

the world encyclopedia of peace is the first attempt of its kind to provide an integrated body of information on peace in all its aspects the encyclopedia has two predominant themes peace research and peace activism in combining these two themes the editors have sought to demonstrate the inter relationships between them and the ways in which they have fostered each other consequently peace is discussed in these volumes from a very broad spectrum of perspectives from the idealist to the realist from the global to the subnational from the cultural to the economic from the religious to the feminist and from the historical to the contemporary

scientific study from the year 2013 in the subject sociology war and peace military course peace research language english abstract in 1970 when east and west were about to meet and to possibly invalidate the historical assumption formulated by the british poet rudyard kipling according to which such meeting of eastern and western minds was impossible a japanese by the name of itsuo tsuda who brought with him the knowledge that would not only enable the meeting between east and west but even that of humanity as a whole discretely settled in paris in his person sino japanese thought converged and merged into something

new that our age greatly needed and continues to do so in the foreseeable time i would like to call it the art of converting war into peace

wang chen a 9th century chinese military commander was sickened by the carnage that had plagued the glorious t ang dynasty for decades he wondered how can we find a true pacifism one that will end conflicts before they begin how are we ever to rectify our self destructive tendencies for the answer he turned to the tao te ching this text had already been a philosophical linchpin of the chinese tradition of taoism for more than a thousand years wang chen found in the tao te ching a cosmological anchor for the patterns of human society an explanation for the dynamics of conflict here is his own rendering of commentary on the ancient text elucidating the ancient classic s tao of peace Ó

translated more often than any other book except the bible the tao te ching has been a spiritual guide for centuries helping millions find peace within themselves with each other and with the natural world around them written in workbook style complete with exercises questionnaires journal keeping techniques and affirmations the tao of inner peace translates the ancient eastern philosophy into a plan for contemporary western living diane dreher ph d shows the way to bring greater joy fulfillment and creativity to daily life heal the body and spirit build self acceptance and self esteem resolve conflict reverse negative cycles of emotion understand life as a process of changes and challenges with its lively demystifying approach the tao of inner peace shows how the tao can be a powerful source of growth inspiration and peace
