as the incidence of violent crime rises in the united states so does the public demand for a solution but what will work mark s fleisher has spent years among inmates in jails and prisons and on the streets with thieves gang members addicts and life long criminals in seattle and other cities across the country in beggars and thieves he writes about how and why they become and remain offenders and about the actual role of jails and prisons in efforts to deter crime and rehabilitate criminals fleisher shows with wrenching firsthand accounts that parents who are addicts abusers and criminals beget irreversibly damaged children who become addicts abusers and criminals further fleisher contends that many well intentioned educational and vocational training programs are wasted because they are offered too late to help and he provides sobering evidence that many youthful and adult offenders find themselves better off in prison with work to do medical care a clean place to sleep regular meals and stable social ties than they are in america s cities fleisher calls for anti crime policies that are bold practical and absolutely imperative he prescribes life terms for violent offenders but in prisons structured as work communities where privileges are earned through work in

expanded productive industries that reduce the financial burden of incarceration on the public but most important he argues that the only way to prevent street crime cut prison growth and reduce the waste of money and human lives is to permanently remove brutalized children from criminal addicted and violent parents

this collection of current thought provoking articles written by leading canadian and international criminologists highlights the range and significance of research on the causes and prevention of youth crime
