the newly hatched thingamajig is very blue and very plain he is different from all the other thingamajigs so he has no friends then one day he begins to change this colourful innovative counting book shows young children how numbers work and celebrates the wonder of difference

teach baby to talk and make reading fun the importance of speech and language in learning to read begins by recounting author sandra jean smith s experience as a teacher of illiterate adults and also examines the possible causes for the ever growing number of children starting school with speech problems unseen in previous generations smith s research on this topic interspersed with her personal stories make for impressive reading she uses humour and anecdotes to entertain and inform readers learn the latest research into these problems and what parents can do to prevent and rectify them chapter summaries reinforce her research the content covers such vtopics as childcare and parenting issues the problems associated with children learning to speak and the consequent implications for learning to read she also discusses the library s role in stimulating and extending children s interest in reading to counteract the influence of computer games and television teach baby to talk is written in an easy to read format with minimal educational jargon the book is a must read for parents and anyone working with very young children

provides the core knowledge and understanding of the concepts students require to become confident and enthusiastic maths users organised into eight units of work based on the current research into developmental sequence in which young children generally acquire those concepts ages 4 5

for much of its history children s literature has been overlooked or looked down on by scholars but in recent years children s literature has assumed greater importance as literary critics psychologists anthropologists and historians have begun to discover what children and parents have known for centuries that this is a literature of extraordinary richness depth and delight the encyclopedia captures and elucidates this richness in four volumes and 3 200 signed entries it offers comprehensive coverage of children s literature from medieval chapbooks of moral instruction for children to j k rowling s immensely popular harry potter books unlike other references the encyclopedia not only documents but also interprets every work major and minor that has played a role in the history of children s literature in the world general essays illuminate prominent trends themes genres and the traditions of children s literature in many countries in addition the encyclopedia provides biographies of important writers as well as extensive coverage of illustrators with numerous examples of their work sociocultural developments such as the impact of toys films animation the internet literacy libraries and librarians censorship the multicultural expansion of the field and other issues related to the appreciation and dissemination of children s literature are also addressed while the encyclopedia concentrates on the tradition known best by its readership

it also covers the international development of children's literature and offers an unprecedented treatment of works from australia canada new zealand india pakistan african countries and other nations its over 800 distinguished contributors come from around the world and include such renowned scholars and writers as gillian every peter hunt klaus doderer hansa heino ewers jean perrot denise escarpit brian alderson and betsy gould hearne a z organization accessible writing plentiful illustrations cross references bibliographies a comprehensive index and a systematic outline make the encyclopedia an invaluable and easy to use research reference

booklist top of the list reference source the heir and successor to eric partridge's brilliant magnum opus the dictionary of slang and unconventional english this two volume new partridge dictionary of slang and unconventional english is the definitive record of post wwii slang containing over 60 000 entries this new edition of the authoritative work on slang details the slang and unconventional english of the english speaking world since 1945 and through the first decade of the new millennium with the same thorough intense and lively scholarship

that characterized partridge's own work unique exciting and at times hilariously shocking key features include unprecedented coverage of world english with equal prominence given to american and british english slang and entries included from australia new zealand canada india south africa ireland and the caribbean emphasis on post world war ii slang and unconventional english published sources given for each entry often including an early or significant example of the term's use in print hundreds of thousands of citations from popular literature newspapers magazines movies and songs illustrating usage of the headwords dating information for each headword in the tradition of partridge commentary on the term's origins and meaning new to this edition a new preface noting slang trends of the last five years over 1 000 new entries from the us uk and australia new terms from the language of social networking many entries now revised to include new dating new citations from written sources and new glosses the new partridge dictionary of slang and unconventional english is a spectacular resource infused with humour and learning it's rude it's delightful and it's a prize for anyone with a love of language

this work of ritsos is it a novel with an emphatic question mark added by the poet himself is it a roman fleuve in the sense of proust's remembrance of things past is it a wild prose poetic fling in a sarcastic climate or is it an autobiography of greece's most human poet whom aragon hailed as the greatest poet of his time and what about the strange title how are the established orthodox saints traditionally decorating the panels near the altar how are they replaced by anonymous human beings everyday people from ritsos's neighbourhood members of his large family and simply inhabitants of monemvasin unassuming fellow prisoners on exile islands and a closely knit band of friends all these anonymities are skillfully counterpointed with the hero ion and ion's alter ego ariostos and woven into a fascinating tapestry of reminiscences and reflections vivid memories from childhood and adolescence speculations on greece's recent history confessions bordering on psychoanalytical introspection and occasionally surrealistic dreams ritsos's *iconostatis* is embellished with an almost joycean richness of word including outrageous puns unprecedented though ineffably poetic erotica and miraculous flights of language in the other two volumes still to appear in english ritsos adds the finishing touches to his vast mosaic bringing his visionary cycle full circle publisher's description vol 1 back cover
