alain robbe grillet 1922 2008 was a french writer and filmmaker his first involvement with the cinema was in the early 1960 s scripting one of the most controversial films of the decade l'année dernière à marienbad directed by alain resnais in this study the focus lies on the cinema of robbe grillet each chapters deals with a specific film and a specific aspect of his work

alain robbe grillet uses techniques from film to make his novels and adapts novel techniques to construct and then shatter his film narratives both forms of art are indebted to painters and printmakers visual perceptions of their material and their use of space and spatial relationships to construct artistic illusions

alain robbe grillet had traditionally been seen as an austere experimentalist in fiction addicted to arid and interminable descriptions of objects like coffee pots erasers and pieces of string his own rather bellicose theoretical pronouncements were partly to blame for this unattractive picture belied by the immense popular success of the film last year at marienbad 1961 made by alain resnais from robbe grillet s script and the high critical esteem in which novels like jealousy and the voyeur are held in his original study first published in 1983 john fletcher attempts to resolve this paradox by offering a new interpretation of robbe grillet s work which stresses the subversive qualities of his imagination and the disturbing power of his vision of a world of labyrinths and bizarre sexual stereotypes haunted by images of love and loss

transforming bewilderment into understanding and pleasure while preserving a sense of robbe grillet s considerable richness and complexity smith elucidates the defining elements of the writer s fictional world characters that barely exist changeable narrators plots that defy logic notoriously meticulous descriptions that never quite form a complete story smith examines robbe grillet s embrace of discontinuity circularity indeterminacy and linguistic play smith also poses questions about how we should view this perplexing writer as an author of hyperobjective novels and short stories a subjective novelist a realist or a writer who undermines the narrative s claim to represent reality in addition smith evaluates the sado erotic imagery of robbe grillet s middle and late novels as a metaphorical play with textual and social conventions book jacket

a study guide for alain robbe grillet s the replacement excerpted from gale s acclaimed short stories for students this concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more for any literature project trust short stories for students for all of your research needs

la pensée formelle de robbe grillet a mal conçu l expérience nouvelle que nous nous faisons du monde le vice de forme était dans le vice de pensée en tout cas ses romans qui après tout rendaient beaucoup de choses possibles dès lors qu ils faisaient ce qui n avait jamais été fait ont encouragé une

génération d'auteurs à revendiquer la platitude on cherche en vain chez eux l'innovation formelle qui prêterait à conséquence pour notre perception du monde et de nous mêmes mais cela vient et passe ces choses là et donc reviendra une période intéressante elles reviennent toujours comme les autres ne doutons pas que moins obsédés par la table rase des écrivains français se donnent meilleure chance de révolutionner le roman après avoir pourfendu les écrivains classiques alain robbe grillet est aujourd'hui lui même devenu un classique de la littérature au moment où le pape du nouveau roman reçoit les derniers honneurs la dissection de son œuvre par jean philippe domecq contribue à séparer chez l'auteur des gommages le bon grain des avancées théoriques de l'ivraie des stagnations voire des reculs artistiques consécutifs à une recherche de la nouveauté pour elle même

alain robbe grillet has long been regarded as the chief spokesman for the controversial nouveau roman this collection of brilliant short pieces introduces the reader to those techniques employed by robbe grillet in his longer works these intriguing gemlike stories represent robbe grillet's most accessible fiction

this book is a thematic approach to robbe grillet's works as a semiological and structural study of his fiction it addresses generative themes serial permutations the esthetics of revolt and revolution the sexuality of the text abyssal effects dialectical topologies labyrinths and ludic structures

robbe grillet is a visionary who seeks to discover unfamiliar ways of seeing and interpreting his films like his novels challenge the limits of expected narrative structures and question the comfortable assumptions of conventional realism in the interviews conducted from 1982 until 1991 fragola and smith examine all nine of the films that robbe grillet has created specifically exploring the cultural milieu to which they are so closely and problematically related

the battle of reichenfels has been fought and lost the army is in flight the enemy is expected to arrive in town at any moment a soldier carrying a parcel under his arm is wandering through an unknown town all the streets look the same and he cannot remember the name of one where he was supposed to meet the man who had agreed to take the parcel but he must deliver the parcel or at least get rid of it a brilliant work from one of the finest exponents of the nouveau roman in the labyrinth showcases an inventive hypnotic style which creates an uncanny atmosphere of déjà vu yet undermines the reader's expectations at every turn
