harness the power of classroom data with the bestselling updated guide to professional learning through inquiry and analysis in this third edition of the renowned approach to teacher inquiry and data analysis the authors add forward thinking substance to their methods of formulating action research questions collecting and analyzing data and creating lasting solutions in addition to illustrative real life examples and practical exercises new features include an expanded data analysis chapter that introduces formative data analysis and its role in teacher research techniques for using inquiry to effectively implement common core state standards a brand new chapter on ethical issues in teacher research

this book is designed to help teachers understand and develop the reflective practice skills that will help them to both survive and develop professionally in today s schools the authors believe that the extra demands that teachers face today demand more than intuition instinctive reaction or a prepackaged set of techniques teachers must reflect on

what is taking place correctly perceive what the options are in a critical and analytical way and make choices grounded in rational conscious decision making to improve practice using real life case studies the book illustrates the three levels of reflective practice reflection in practice reflection on practice and reflection for practice

powerful tools for facilitating teachers professional development and optimizing school improvement efforts combining professional learning communities plcs and action research this step by step guide provides coaches workshop leaders and staff developers with strategies activities and tools to develop inquiry oriented plcs the authors present essential elements of a healthy plc case studies of inquiry based plcs and lessons learned for improving coaching practices sample projects and reflection prompts will help readers organize assess and maintain high functioning inquiry oriented plcs facilitate the development of study questions enable plc members to develop analyze and share research results lead successful renewal and reform efforts

this volume outlines the assumptions and beliefs that distinguish the concept of the reflective teacher from the view of the teacher as passive and a mere technician a view that teacher education programs and schools have historically promoted the authors demonstrate how various conceptions of reflective teaching differ from one another they believe that it is only through teachers reflections on their own teaching that they become more skilled more capable and in general better teachers this is the first volume in the reflective teaching and the social conditions of schooling series the major goal of both this book and of all of the volumes to follow in this series is to help teachers explore and define their own positions with regard to the topics and issues at hand within the context of the aims of education in a democratic society

this book emphasizes the development of management skills across three major areas of teaching content instruction covenant relationships and conduct student behavior it takes an ecological systems level approach to classroom management especially in presenting schoolwide discipline policy and procedures it also features a comprehensive chapter on communication skills which forms the foundation to effective management it integrates theory and practice through in depth examples in each chapter by presenting procedures first then providing examples of theories it also describes and provides examples of three problem solving models to promote positive problem solving for professionals who want to learn classroom management from a systems level perspective

faith is trust it is a confidence in the power and goodness of god that leads us to make good decisions and allows us to surrender our lives to him hebrews 6 12 says that we are to be imitators of those who through faith and patience inherit the promises one of

the best ways to grow in faith is to imitate the lives of people who have shown great faith hebrews 11 guides us through the lives of men and women like abel enoch noah abraham sarah mooses rahab david and others who have done just that real people with real lives and real problems who had faith in a great god and trusted him at pivotal moments in their lives by drawing on some of the greatest lives of faith in the bible readers will come to see that god was worthy of these men s and women s trust and faith during biblical times in the same way that he is worthy of ours today this new edition of big god includes a study guide for deeper reflection and personal application

mentors will discover strategies for meeting the diverse needs of their mentor mentee relationships developing useful mentoring tools and continuing to learn and grow professionally
