in kabbalistic tradition the 72 names of god are derived from three verses in the book of exodus 14 19 21 each of these names consists of three hebrew letters and is believed to hold unique spiritual significance and power contained within this book are the names along with their meanings

christians face a conundrum when it comes to naming god for if god is unnamable as theologians maintain he can also be called by every name his proper name is thus an open ended all encompassing list a mystery the church embraces in its rhetoric but which many christians have found difficult to accept to explore this conflict valentina izmirlieva examines two lists of god s names one from the divine names the classic treatise by pseudo dionysius and the other from the 72 names of the lord an amulet whose history binds together kabbalah and christianity jews and slavs palestine provence and the balkans this unexpected juxtaposition of a theological treatise and a magical amulet allows izmirlieva to reveal lists rhetorical potential to create order and to function as both tools of knowledge and of power despite the two different visions of order represented by each list izmirlieva finds that their uses in christian practice point to a complementary relationship between the existential need for god s protection and the metaphysical desire to submit to his infinite majesty a compelling claim sure to provoke discussion among scholars in many fields

during more than 2000 years the 72 names of god and the names of the angels that bear such sacred names have been hidden for the human beings in complex books and transmitted only to a group of chosen ones today these names are shown for first time the names are revealed now so you would be able to establish a closer relationship with your creator and get closer to the fountain of all light

this book is a simple yet incredibly powerful way to summons the 72 names of god and to easily communicate with these spirits or energies of god while they are visibly in front of you the 72 names of god which give off powerful vibrations are the hidden names kabbalah has found in the book of exodus and were given to the israelites to use in order to cross the red sea in chapter 1 the 72 names of god summoning ritual shows you step by step how to easily summons these spirit energies to visible appearance so you can communicate with them in chapter 2 the 72 names of god lists each powerful name of god to summons for your every request of money health love psychic abilities information and many more things all you need is a candle incense bell a rope circle and 10 minutes to get started this book shows you easily and quickly how to get all of your requests answered and you don t need to believe in these rituals as you are summoning the 72 names of god to do your bidding for you

text in hebrew

the power of the 72 names of god operates strictly on a soul level not a physical one it s about spirituality not religiosity instead of being limited by the differences that divide people the wisdom of the names transcends humanity s age old quarrels and belief systems to deal with one common bond that unifies all people and nations as one the human soul

the christian reception of the hebrew name of god has not previously been described in such detail and over such an extended period this work places that varied reception within the context of early jewish and christian texts patristic studies jewish christian relationships

mediaeval thought the renaissance and reformation the history of printing and the development of christian hebraism the contribution of notions of the tetragrammaton to orthodox doctrines and debates is exposed as is the contribution its study made to non orthodox imaginative constructs and theologies gnostic kabbalistic hermetic and magical texts are given equally detailed consideration there emerge from this sustained and detailed examination several recurring themes concerning the difficulty of naming god his being and his providence

humanity is a single biological species but has split into two different mental species labelled mythos and logos the mythos species is driven by emotional stories not by facts evidence or rational arguments even scientific materialism is a mythos the sensory mythos which asserts that rational unobservables undetectable by the senses simply cannot exist the enlightenment the age of reason was when logos humanity came to the fore hyperhumanity is the upgrade of logos humanity that advocates hyperrationalism old humanity stuck in its irrational mythos past will become extinct the future is about the new human race hyperhumanity do you belong to the illuminated ones the shining ones the divine ones or are you on your knees to some story book god an irrational market or irrational devotion to your physical senses hyperhumanity is not here to help old humanity it is here to replace it we are the true human race that which seeks to claim its rightful prize divinity

the seventy two passages pertain to pure divine ideas which and creation although they are more abstract in nature much knowledge about the nature of god s creatures and creations for the student of theory an advanced theurgist will find in these passages more than theoretic knowledge such a student will also know about the dangers that arise resulting from wrong practice fortunately the mysteries protect themselves

it is said that there are 4 approaches and levels to biblical understanding and study the surface and literal meaning of the words themselves hints of a deeper meaning beyond the surface words a deeper inquiry secret and esoteric meaning each level of biblical exegesis transcends but includes the former and will never contradict the other in this book we will delve into the deep end of the water the secret and esoteric meaning we will unlock the secrets of the hebrew bible more specifically 3 verses from the book of exodus 19 then the angel of god who was going before the host of israel moved and went behind them and the pillar of cloud moved from before them and stood behind them 20 coming between the host of egypt and the host of israel and there was the cloud and the darkness and it lit up the night a without one coming near the other all night 21 then moises stretched out his hand over the sea and the lord drove the sea back by a strong east wind all night and made the sea dry land and the waters were divided exodus 14 19 21 within this text hides something profound and hidden within this text lies the keys to spiritual and material transformation within this text resides the secret of secrets within the text hides the 72 names of god today my friend you will learn them and you will be transformed

pardes rimonim the orchard of pomegranates is the magnum opus of rabbi moshe cordovero ramak 1522 1570 written in safed in the mid 16th century it is the first systematic encyclopedia of kabbalah in which ancient mystical teachings were gathered and organized into a coherent system the title of the book is symbolic the pomegranate with its hundreds of seeds represents the multitude of mysteries and meanings contained within the torah and the cosmos like a garden filled with diverse fruits kabbalah is presented in the book as a holistic harmonious teaching across 32 gates ramak guides the reader through key areas of mystical thought from the doctrine of the one god and the ten sefirot to the structure of spiritual worlds angels and demons the nature of the soul the meaning of commandments and the mystery of future redemption this book blends philosophical clarity with poetic inspiration it opens a path not only to understanding kabbalah but also to experiencing it as a living reality where each step of

the seeker brings them closer to the infinite there are books written in ink and there are books written in light pardes rimonim is not merely the treatise of a sage it is a garden into which one enters with a bare heart there branches intertwine like the paths of the sefirot there pomegranates hang heavy with fruit each seed holding a secret each seed a part of the whole rabbi moshe cordovero the great ramak opened the gates of this garden in safed where the air was filled with hymns and revelations and gathered all the voices of kabbalah so that in one place they might sing a symphony of infinity here we learn that god is one that his light shines through ten vessels that the human soul is bound to the roots of creation and that every commandment every prayer is a thread mending the fabric of the world but this garden is not only a solace it is also a challenge for the deeper we wander its paths the more we realize behind the first mystery lies a second behind the second a third and so on endlessly until we dissolve into ein sof whoever enters this garden with an open heart will hear the leaves whisper eternal names and perhaps find there their own fruit sweet and radiant like a spark of the soul

explains to young readers how the three letters of each of the kabbalah s seventy two names for god can be used to teach such important spiritual lessons as how to get rid of negative thoughts and anger how to share with others and how to feel safe

a tool to communicate with god and his angels as never before existed
