this book presents a very short introduction to the aztecs using interpretive tools from religious studies and anthropology to uncover the paradox of aztec life on the one hand a people highly skilled in sculpture astronomy city planning poetry and philosophic rhetoric while on the other hand a people profoundly committed to cosmic regeneration through the thrust of the ceremonial knife and warfare

illustrated by phillip martin specific topics include incan mayan and aztec daily life and inventions incas maco capac sapa inca incan roads and bridges mailmen machu picchu spanish arrival mayas hero twins pyramids temples stelas ball courts hieroglyphics city states aztecs place of the prickly pear cactus government religion the reproducible unit features well structured plans supported by handouts plus a special lesson for substitute teachers publisher s website

in the white conquerors a tale of toltec and aztec by kirk munroe readers are transported to ancient mexico to relive the clashes between the toltec and aztec civilizations through munroe s vivid descriptions and engaging narrative style the reader is immersed in the battles alliances and cultural interactions that shaped this tumultuous period munroe s attention to historical detail and his ability to bring the past to life make this book a valuable contribution to the genre of historical fiction kirk munroe a well known american author and conservationist drew inspiration from his travels and experiences in mexico to write the white conquerors his deep respect for nature and diverse cultures is reflected in the characters and landscapes he brings to life in this captivating novel munroe s commitment to accuracy and authenticity in his storytelling sets him apart as a writer who seeks to educate and entertain his readers i highly recommend the white conquerors a tale of toltec and aztec to anyone interested in historical fiction mexican history or engaging storytelling kirk munroe s eloquent prose and compelling narrative will transport you to a fascinating era in mesoamerican history that is sure to captivate and educate readers of all backgrounds

the silver paradigm in the emerald heaven is an astonishing breath taking view of the world in its eternal search and struggle for ideas and paths leading to a brighter future the author introduces the reader to his own unique ideas by making a marvelous journey through the

histories of various societies and ethnicities by drawing on the wisdom of their social conditions social ways and religious beliefs as in the twilight zone readers have the option of going from the clarity of the contemporary world s societies to spirituality and the spiritual unseen world which the author believes is indivisible from the material reality and has to play an essential role in the future life and organization of the societies and human destinies

this volume is directed towards professionals who work in the fields concerning death and dying these professionals must perceive the needs of people with cultural patterns which are different from the standard and dominant patterns in the united states and canada accordingly the book includes illustrative episodes and in depth presentations of selected ethnic patterns each of the ethnic chapters is written by an author who shares the cultural traditions the chapter describes other chapters examine multicultural issues and provide the means for personal reflection on death and dying there are also two bibliographic sections one general and one geared towards children the text is divided into three sections cross cultural and personal perspectives dying death and grief among selected ethnic communities and reflections and conclusions the book is aimed at those in the fields of clinical psychology grief therapy sociology nursing social and health care work

teohua minister of uitzilopochtli god described in twenty seven chapters the experiences of the soul of an aztec boy his education and his training as an assassin aztec priest in his different reincarnations through time in the aztec empire this story talks about the daily life and bloody festivities of the aztecs but mainly describes the abuses committed by the aztec priests by sacrificing hundreds of thousands of people at the time of teotihuacan and the great tenochtitlan in the twentieth century and by a twist of fate this aztec soul reincarnated in the body of a mexican child of jewish descent the boys father was one of the wealthiest landowners in the region of the popocatepetl and itztaccihuatl volcanoes on the other hand the house that belonged to the child s father was built five hundred years before and had been inherited from generation to generation until the twentieth century the house was constructed with the ruins of an aztec temple dedicated to omacatl reptile god and for the jewish boy being born among those ruins tied him a course because during the aztec empire children born only inside a temple could be aztec priests the reason reincarnation was to continue with the most feared and respected profession of the aztec empire that was to be an assassin aztec priest weeks before the fall of the aztec empire the aztec chief priests gathered in the birds hall in the house of emperor moctezuma ii they had an agreement to keep secret the real existence of their aztec reptilian gods and continue the sacrifices regardless of the historical era in which the descendants of the aztecs lived in that meeting they promised continued with the traditions of human sacrifices then it seems that the future of the jewish boy without being descendent of the aztec race was marked to be an assassin who was at the services of the aztec reptilian gods
