national bestseller in one of morrison s most haunting works the new york times the acclaimed nobel prize winner reveals what lies beneath the surface of slavery but at its heart like beloved it is the story of a mother and a daughter a mother who casts off her daughter in order to save her and a daughter who may never exorcise that abandonment one of the new york times s 100 best books of the 21st century in the 1680s the slave trade in the americas is still in its infancy jacob vaark is an anglo dutch trader and adventurer with a small holding in the harsh north despite his distaste for dealing in flesh he takes a small slave girl in part payment for a bad debt from a plantation owner in catholic maryland this is florens who can read and write and might be useful on his farm rejected by her mother florens looks for love first from lina an older servant woman at her new master s house and later from the handsome blacksmith an african never enslaved who comes riding into their lives

seminar paper from the year 2008 in the subject american studies literature grade 1 0 university of constance fachgruppe literaturwissenschaft british and

american studies course american literature and culture part two minority literatures language english abstract this term paper examines how morrison exposes the category of race to be mere biological fiction but still serves to structure people s expectations towards eachother in everyday interactions the main questions tackled in the term paper will be the following what is the understanding of the term race as presented by morrison in recitatif what are the interrelations of race and gender with regard to afro american women what are the social facts surrounding certain attributes of race

the intense emotional responses of empathy and rage bracket a spectrum of feelings people confront when they consider the millions of women and girls who have undergone bolokoli takhoundi tukore ir gudni in names in local languages for a procedure that mutilates female genitalia contributors not content with silent acquiescence have shown the courage to oppose a harmful practice that continues to plague women of african descent sentenced to a life of suffering through a damaging tradition

covers the turbulent decade of the 1970s

traces the cinematic history of carmen the spanish gypsy femme fatale

reading is my window books and the art of reading in women s prisons

bringing together diverse perspectives on race and its representation in doctor who this book offers understandings of the cultural significance of race in the program how the show s representations of racial diversity colonialism nationalism and racism affect our daily lives and change the way we relate to each other

just over two decades ago research findings that environmentally hazardous facilities were more likely to be sited near poor and minority communities gave rise to the environmental justice movement yet inequitable distribution of the burdens of industrial facilities and pollution is only half of the problem poor and minority communities are often denied the benefits of natural resources and can suffer disproportionate harm from decisions about their management and use justice and natural resources is the first book devoted to exploring the concept of environmental justice in the realm of natural resources contributors consider

how decisions about the management and use of natural resources can exacerbate social injustice and the problems of disadvantaged communities looking at issues that are predominantly rural and western many of them involving indian reservations public lands and resource development activities it offers a new and more expansive view of environmental justice the book begins by delineating the key conceptual dimensions of environmental justice in the natural resource arena following the conceptual chapters are contributions that examine the application of environmental justice in natural resource decision making chapters examine how natural resource management can affect a range of stakeholders quite differently distributing benefits to some and burdens to others the potential for using civil rights laws to address damage to natural and cultural resources the unique status of native american environmental justice claims parallels between domestic and international environmental justice how authority under existing environmental law can be used by federal regulators and communities to address a broad spectrum of environmental justice concerns justice and natural resources offers a concise overview of the field of environmental justice and a set of frameworks for understanding it it expands the previously urban and industrial scope of the movement to include distribution of the burdens and access to the benefits of natural resources broadening environmental justice to a truly nationwide concern
