contemporizing the classics poe shakespeare doyle is a how to on the art and craft of transforming a classic into a feature film screenplay with a modern storyline the introduction probes an issue that weaves throughout role of artistic license in balancing fidelity to the original versus dramatic needs of the script contemporization of a classic being the most flagrant form of dramatic license

the introduction presents three guidelines for a considered exercise thereof each part debuts a feature film script that resets a classic work s in the present part one offers a contemporary visualization of macbeth in the process turning an elizabethan tragedy into a dramatic comedy part two applies the guidelines to several renowned works by edgar allan poe arthur conan doyle s the hound of the baskervilles having frequently screened as a period piece part three gives the hound a twenty first century twist

adapting western classics for the chinese stage presents a comprehensive study of transnational transcultural and translingual adaptations of western classics from the turn of the twentieth century to present day china in the age of globalization supported by a wide range of in depth research this book examines the complex dynamics between texts both dramatic and socio historical contexts both domestic and international and intertexts western classics and their chinese reinterpretations in huaju and or traditional chinese xiqu contemplates chinese adaptations of a range of western dramatic works including greek english russian and french presents case studies of key chinese adaptation endeavors including the 1907 adaptation of uncle tom s cabin by the spring willow society and the 1990 adaptation of hamlet by lin zhaohua lays out a history of uneasy convergence of east and west complicated by tensions between divergent sociopolitical forces and cultural proclivities drawing on disciplines and critical perspectives including theatre and adaptation studies comparative literature translation studies reception theory post colonialism and intertextuality this book is key reading for students and researchers in any of these fields

in recent years in the west scholars have attempted to unravel old constructs of interpretation and understanding using the discipline of hermeneutics or the scientific study of textual interpretation borrowed from students of the ever growing body of biblical interpretive literature that originated in the early christian era theoretical hermeneutics has given many contemporary scholars potent tools of textual interpretation classics and interpretations applies this method to chinese culture several essays focus on hermeneutic traditions of neo confucianism others move outside of these traditions to attempt an understanding of the role of hermeneutics in taoist and buddhist textual interpretation in chinese poetics and painting and in contemporary chinese culture this volume makes a concerted effort to remedy our ignorance of the chinese hermeneutical tradition part 1 the great learning and hermeneutics demonstrates the use of commentary to define how the individual creates his social self and discusses differing interpretations of the ta hsueh text and its treatment as either canonical or heterodox part 2 canonicity and orthodoxy considers the philosophical touchstones employed by neo confucian canonical exegetes and polemicists and discusses the han canonization of the scriptural five classics while illuminating a double standard that existed in the hermeneutical regime of late imperial china part 3 hermeneutics as politics discusses the transformation of both the classics and scholars and explores the dominant hermeneutic tradition in chinese historiography the scriptural tradition and reinterpretation of the ch un ch iu and reveals the pragmatism of chinese hermeneutics through comparison of the sung debates over the mencius the concluding sections include essays on chu hsi and interpretation of chinese classics hermeneutic traditions in chinese poetics and non confucian contexts reinterpretation of confucian

texts in the ming ch ing period and contemporary interpretations of confucian culture through these literate and brilliantly written essays the reader witnesses not merely the great breadth and depth of chinese hermeneutics but also its continuity and evolutionary vigor this volume will excite scholars of the confucian buddhist and taoist systems of thought and belief as well as students of history and hermeneutics
