in sir christopher wren his family and his times lucy phillimore intricately weaves a rich tapestry of the life and legacy of the celebrated architect and polymath sir christopher wren combining rigorous historical analysis with a narrative style that evokes the essence of 17th century england phillimore explores wren s monumental contributions to architecture particularly in the post great fire of london era the book is fortified with meticulous research balancing biographical details with the societal political and scientific contexts that shaped wren s innovative spirit through this lens phillimore reveals how wren s familial connections and personal trials influenced his monumental works such as st paul s cathedral lucy phillimore a prominent historian with a profound interest in the interplay of architecture and society draws from her extensive background in both literature and history her fascination with wren stemmed from her desire to understand how individual creativity intersects with historical narratives this perspective illuminates the multifaceted nature of wren not only as an architect but also as a thinker deeply embedded in the cultural fabric of his time this book is an essential read for anyone intrigued by the intersection of architecture history and personal biography readers will find in phillimore s work a compelling invitation to reflect on how individual architects both shape and are shaped by their historical contexts making it a valuable addition to the library of historians architects and general readers alike in this enriched edition we have carefully created added value for your reading experience hand picked memorable quotes shine a spotlight on moments of literary brilliance interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

excerpt from under the dome of st paul s a story of sir christopher wren s days the careful student of the history of this great architect of the seventeenth and eighteenth centuries must feel that great and noble as was his work the man who

achieved it was greater and nobler disappointed at the very opening of his career by the rejection of his favourite plan for a new london which would have made the city the pride of the whole nation about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

excerpt from sir christopher wren his family and his times with original letters and a discourse on architecture hitherto unpublished 1585 1723 the materials necessary for writing a life of sir christopher wren are so difficult of access as possibly to explain the unsatisfactory character of such biographies as do exist mr james elmes who venerated wren's genius published in 1823 a life which contained a careful if a dry account of wren's architectural works and of some of his scientific discoveries he also published a smaller work sir c wren and his times intended perhaps to give a flavour of personal interest to the other volume neither book succeeds in doing this and both have suffered from the circumstance that mr elmes failing eyesight did not permit him to correct the proofs of either work and accordingly many serious errors as to names and dates stand unaltered in them there is a sketch of wren in the british family library one published by the society for the diffusion of useful knowledge and one in the biographica britannica but in them all it is with some of the works of the great architect that we become acquainted not with himself about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
