the next time with classic music notes this will help kids remember the staff notes for example mary had a little lamb ver 1 circles mary had a little lamb ver 1 notes level 2 in this part you will find one version with both circles and notes and a more advanced version of the song with notes and musical notation for example hot cross buns version 1 circles hot cross buns version 1 notes hot cross buns version 2 notes here the player will play songs in a different key and learn how to transpose generally the version of the song written with sheet music is a little bit more complex than a letter coded version such versions already have music notations such as rests or beams etc you can find an illustrated explanation of the notation at the end of this book level 3 here the first two songs are versions of the same melody different combinations of notes written with circles and notes this is important so that the beginner can see how the same melody can be played in different keys first of all this book is addressed to newcomers to any keyboard instrument such as piano or synthesizer we offer 22 one hand piano songs also it is a perfect self training guide for children and beginner adults to mastering the challenges of percussion instruments such as xylophone glockenspiel melodica or recorder additionally you find funny riddles with engaging activities to teach musical notes and symbols table of contents level 1 mary had a little lamb ode to joy the whills on the bus jolly old saint nicholas ten little fingers london bridge do you know the muffin man we wish you a merry christmas the first noel brahms lullaby row row your boat itsy bitsy spider silent night oh susannah level 2 hot cross buns are you sleeping old mcdonald level 3 jingle bells la cucaracha yankee doodle happy birthday amazing grace music note values musical puzzles
