Buchanan Patrick J. Buchanan Albany County (N.Y.). Board of Supervisors New York (State). Legislature. Senate USA Patent Office

the story of a young man's progress from becoming the youngest editorial writer in the country to joining the staff of Richard M. Nixon to eventually being encouraged to make his own bid for the presidency in addition Buchanan offers policy prescriptions to guide America through the 90s

in the volatile world of post Cold War American politics few figures have stood out with as much clarity and controversy as Pat Buchanan this book is a political biography but it is also in part a history of modern American conservatism Buchanan's career can be divided into two parts first there was his rapid rise through the ranks of the modern day conservative movement as a senior aide and speechwriter to Richard Nixon and Ronald Reagan and as a combative columnist and commentator Buchanan was a valued and popular figure among leading conservatives all throughout the 1970s and 80s his 1985 decision for instance to take a significant pay cut and join the Reagan administration as Director of Communications was greeted with near unanimous praise and adulation from Buchanan's fellow conservatives in the Washington Manhattan constellation indeed by the middle of President Reagan's second term conservative activists were urging Buchanan to run for president with many of them claiming he was now a political figure who could stake his claim as a successor to Barry Goldwater and Ronald Reagan with sections on Buchanan's growing up years his service to both Nixon and Reagan his rise in the conservative movement his America First platform and his presidential runs this book tells the story of a man who raised issues during his time as both a pundit and a politician that are still significant today and in fact that the time of Pat Buchanan is far from being over

Pat Buchanan is sounding the alarm since 9/11 more than four million illegal immigrants have crossed our borders and there are more coming every day our leaders in Washington lack the political will to uphold the rule of law the melting pot is broken beyond repair and the future of our nation is at stake in this

important book pat buchanan reveals that slowly but surely the great american southwest is being reconquered by mexico these lands which many mexicans believe are their birthright are being detached ethnically linguistically and culturally from the united states by a deliberate policy of the mexican regime this is the aztlán plot for la reconquista the recapture of the lands lost by mexico in the texas war of independence and mexican american war comparing the immigrant invasion of america from across the mexican border and of europe from across the mediterranean to the barbarian invasions that ended the roman empire the author writes with passion and conviction that we have begun the final chapter of the death of the west unless the invasion is halted now buchanan argues by midcentury america will be a country unrecognizable to our parents the third world dystopia that theodore roosevelt warned against when he said we must never let america become a polyglot boardinghouse for the world president bush s failure to halt the invasion and secure america s border buchanan writes is a dereliction of constitutional duty that in other times would have called forth articles of impeachment in the final chapter last chance he lays out a sweeping immigration reform and border security plan which he contends if not pursued means george w bush s legacy will be to have lost for america a southwest that was the legacy of sam houston andrew jackson and james k polk with an estimated ten to fifteen million illegals already here and tens of millions more poised to pour across our borders few books could be as timely or important as state of emergency it is essential reading for all americans

american empire is at its apex we are the sole superpower with no potential challenger for a generation we can reach any point on the globe with our cruise missiles and smart bombs and our culture penetrates every nook and cranny of the global village yet we are now the most hated country on earth buried beneath a mountain of debt and morally bankrupt where the right went wrong chronicles how the bush administration and beltway conservatives have abandoned their principles and how a tiny cabal hijacked u s foreign policy and may have ignited a war of civilizations with the islamic world that will leave america s military mired down in middle east wars for years to come at the same time these republicans

have sacrificed the american worker on the altar of free trade and discarded the beliefs of taft goldwater and reagan to become a party of big government that sells its soul to the highest bidder a damning portrait of the present masters of the gop where the right went wrong calls to task the bush administration for its abandonment of true conservatism including the neo conservative cabal liberal wolves in conservative suits why the iraq war has widened and imperiled the war on terror how current trade policy outsources american sovereignty independence and industrial power

argues that many americans have lost their jobs because of the free trade policies of the global economy

in 1966 richard nixon hired patrick j buchanan a young editorial writer at the st louis globe democrat to help lay the groundwork for his presidential campaign fiercely conservative and a whiz at messaging and media strategy buchanan continued with nixon through his tenure in office becoming one of the president s most important and trusted advisors particularly on public matters the copious memos he produced over this period counseling the president on press relations policy positions and political strategy provide a remarkable behind the scenes look into the workings of the nixon white house and a uniquely informed perspective on the development and deployment of ideas and practices that would forever change presidential conduct and us politics of the thousand housed at the richard nixon presidential library presidential scholar lori cox han has judiciously selected 135 of buchanan s memos that best exemplify the significant nature and reach of his influence in the nixon administration here in his now familiar take no prisoners style buchanan can be seen advancing his deeply conservative agenda counterpunching against advisors he considered too moderate and effectively guiding the president and his administration through a changing often hostile political environment on every point of policy and political issue foreign and domestic through two successful campaigns nixon s first term and the fraught months surrounding the watergate debacle buchanan presses his advantage all the while honing the message that would push conservatism ever rightward in the

following years expertly edited and annotated by han advising nixon the white house memos of patrick j buchanan offers rare insight into the decision making and maneuvering of some of the most powerful figures in government with lasting consequences for american public life

for forty years the neoconservatives have been an influential wing on the american right their critics accuse them of being more loyal to a foreign government than to american interests but is that true in this book the author argues that their support of israel is rooted just as much in their liberal democratic priorities

winner of the 2016 ft mckinsey business book of the year award this is the biography of one of the titans of financial history over the last fifty years born in 1926 alan greenspan was raised in manhattan by a single mother and immigrant grandparents during the great depression but by quiet force of intellect rose to become a global financial maestro appointed by ronald reagan to chairman of the federal reserve a post he held for eighteen years he presided over an unprecedented period of stability and low inflation was revered by economists adored by investors and consulted by leaders from beijing to frankfurt both data hound and eligible society bachelor greenspan was a man of contradictions his great success was to prove the very idea he an advocate of the gold standard doubted that the discretionary judgements of a money printing central bank could stabilise an economy he resigned in 2006 having overseen tumultuous changes in the world s most powerful economy yet when the great crash happened only two years later many blamed him even though he had warned early on of irrational exuberance in the market place sebastian mallaby brilliantly shows the subtlety and complexity of alan greenspan s legacy full of beautifully rendered high octane political infighting hard hitting dialogue and stories the man who knew is superbly researched enormously gripping and the story of the making of modern finance

rather than reaching the end of ideology predicted only three decades ago we find ourselves in the throes of an intensifying ideological struggle over the

meaning and direction of globalization noted scholar manfred b steger introduces readers to the clashing political belief systems of our time market globalism justice globalism and religious globalism he shows how these globalisms have developed and how their competing ideas articulate and legitimize particular political agendas he focuses especially on the ways this battle of ideas has been extended through the unexpectedly powerful surge of antiglobalist populism an ideological contender that stands in tension to pluralist values of liberal democracy explaining the origins impacts and consequences of the recent populist challenge steger considers the future prospects for the established globalisms in what promises to be a tumultuous decade as global problems such as climate change pandemics transnational terrorism financial crises and cyber warfare threaten humanity s collective future

presents an encyclopedia of religion and politics in america including short biographies of important political and religious figures like ralph abernathy civil rights leader and ralph waldo emerson writer and synopses of religious entities like the branch davidians and the episcopal church as well as important court cases of relevancy like epperson et al v arkansas having to do with evolution

warm and self deprecating surprisingly witty honest to a fault about his political views mr buchanan has a secret weapon charm the new york times

though they will deny it under oath several editors and officials of the new times at a luncheon in the fall of 1974 provided me with the idea and the encouragement to write this slim book the chapters which follow however represent my own reflections on a question that constantly troubles the american right why the conservative sentiment in the country so rarely translates into conservative government in the capital the principal source of the thoughts arguments and views expressed herein is my own experience in mr nixon s white house from 20 january 1969 to 8 august 1974 acknowledgments

all but predicting the september 11 attack on the world trade center buchanan examines and critiques america s recent foreign policy and argues for new

policies that consider america s interests first
