yourself the book of gifts is a book we cannot do without it is for anyone and
everyone it is for all of us

through a series of essays that explore the forms themes genres historical
contexts major authors and latest critical approaches a companion to african

american literature presents a comprehensive chronological overview of african american literature from the eighteenth century to the modern day examines african american literature from its earliest origins through the rise of antislavery literature in the decades leading into the civil war to the modern development of contemporary african american cultural media literary aesthetics and political ideologies addresses the latest critical and scholarly approaches to african american literature features essays by leading established literary scholars as well as newer voices

for a work to be considered african american literature does it need to focus on black characters or political themes must it represent these within a specific stylistic range or is it enough for the author to be identified as african american in deans and truants gene andrew jarrett traces the shifting definitions of african american literature and the authors who wrote beyond those boundaries at the cost of critical dismissal and at times obscurity from the late nineteenth century to the end of the twentieth de facto deans critics and authors as different as william howells alain Locke richard wright and amiri baraka prescribed the shifting parameters of realism and racial subject matter appropriate to authentic african american literature while truant authors such as paul laurence dunbar george s schuyler frank yerby and toni morrison perhaps the most celebrated african american author of the twentieth century wrote literature anomalous to those standards jarrett explores the issues at stake when howells the dean of american letters argues in 1896 that only dunbar s entirely black verse written in dialect would succeed three decades later Locke the cultural arbiter of the harlem renaissance stands in contrast to schuyler a journalist and novelist who questions the existence of a peculiarly black or new negro art next wright s 1937 blueprint for african american writing sets the terms of the chicago renaissance but yerby s version of historical romance approaches race and realism in alternative literary ways finally deans and truants measures the gravitational pull of the late 1960s black aesthetic in baraka s editorial silence on toni morrison s first and only short story recitatif drawing from a wealth of biographical historical and literary sources deans and

truants describes the changing notions of race politics and gender that framed and were framed by the authors and critics of african american culture for more than a century
