education for refugees and forced im migrants across time and context follows the journey of refugee and forced im migrant youths as their educational needs and opportunities vary according to resettlement communities immigration policies dominant culture and language

geography and other key factors

this salient volume surveys the state of access to primary care and preventive health services by migrants refugees and asylum seekers across europe experts in public health and allied fields identify obstacles to healthcare interventions for migrants including costs legal status health related behaviors and beliefs and cultural and language barriers the book includes the latest data concerning access to specific preventive services e g vaccinations colorectal screenings specific issues of women and sexual minorities and the potential for health promotion in prevention best practices for improving access are outlined as a basis for public health and policy directives toward reducing health disparities between migrant and native populations among the topics covered access to medical examination for prevention among migrants access and barriers to infant vaccinations female cancer screening and colorectal screening among migrant populations provision and policy gap between the primary and preventive care required by and the care provided to lgbtq migrants refugees and asylum seekers health related lifestyles and intermediate health conditions of migrants quality of primary healthcare and preventive health services provided to migrants adaptations of primary health care for migrants access to primary health care and policies on migration and health at a time of economic crisis dedicated to bridging research and policy gaps in this vital area primary care access and preventive health services of migrants is intended for an international audience of academics researchers policymakers and practitioners in public health and related disciplines

learner centred education for adult migrants in europe a critical comparative analysis contributes to the field of adult education by investigating the ways in which learner centred education lce is being enacted implemented or neglected in specific settings the book addresses the lack of research on how lce is used in adult education as a tool for social change across different national contexts this comparative approach is crucial for exploring the complex global regional national and local dynamics that account for varying implementations or non implementations of lce in different settings for appreciating the thin or wide differences in practices of implementation and for assessing the successes failures and needs for improvement of diverse lce programmes the book s primary focus on migration as a social process and migrants as active citizens is useful in unravelling the convergences and divergences of different national and urban settings where migrant adult learners live as citizens or as non citizens and how this intersects with their experiences as

learners this research is contextualised in a larger political context what emerges from the parting reflection is a european scenario marked by ambivalent and contradictory relations with migrants and an educational intervention that is located somewhere between the assimilationist integrationist dialectic the four cases presented estonia malta scotland and cyprus generally respond to the learners needs on the ground while rarely problematising the ideological stance of the state in relation to the educational plight of migrants the final chapter introduces and elaborates on a new concept emancipatory Ic to help generate a deeper analysis

the shifting global world of youth and education explores how increasing migration and population changes are having an unprecedeted impact on global education given that the number of children of migrant background is growing internationally there is a need for increasing awareness of the educational attainment and cultural integration of this population group this book presents international perspectives on migration and youth and analyses what kinds of effects such demographic changes are having on educational systems around the world the chapters in this volume provide a fascinating insight into how countries around the world are dealing with loss or growth in their young population as well as changes to their education systems written by specialist academics from the relevant country the book covers cuba lithuania the united kingdom the united states finland greece germany austria hungary latvia china australia india italy and poland taking into consideration the countries social and political context the chapters discuss educational issues surrounding curriculum assessment and the opportunities available for the support of young people conclusions are drawn about what could be done in the future for the benefit of both the migrant and the existing populations the shifting global world of youth and education will be of great interest to academics researchers and postgraduate students in the disciplines of education sociology political sciences and social work the book will also give secondary teachers teaching assistants social workers and youth workers the opportunity to reflect on their role within a national and international context

shortlisted for the edward stanford travel book of the year a dazzlingly brilliant book hannah dawson fascinating often exhilarating albinia is an intrepid imaginative guide tis the britannias tells the story of britain s islands and how they are woven into its collective cultural psyche from neolithic orkney to modern day thanet alice albinia explores the furthest reaches of britain s island topography once known wrote pliny by the collective

term britanniae sailing over borders between languages and genres trespassing through the past to understand the present this book knocks the centre out to foreground neglected epics and subversive voices the ancient mythology of islands ruled by women winds through the literature of the british isles from roman colonial era reports to early irish poetry renaissance drama to restoration utopias transcending and subverting the most male fixated of ages the britannias looks far back into the past for direction and solace while searching for new meaning about women s status in the body politic boldly upturning established truths about britain it pays homage to the islands beauty independence and their suppressed or forgotten histories

this book is the result of reflections and work of the specialty group on neurology in migrants of the world federation of neurology the volume provides a synthesis of migrants health in relation to the sustainable development goals and the 2030 agenda and an up to date overview on neurological diseases among migrants refugees and ethnic minorities the book is composed of both general chapters dealing with the history of migration the relationship between climate change and migration flows the migration and neurosciences research and the barriers to migrant s health other chapters deal with the migrants particularities of the common neurological diseases such as cerebrovascular diseases epilepsy dementia movement disorders multiple sclerosis headache functional and mental disorders in addition also neurological manifestation of covid 19 in ethnic minorities and palliative care in migrants are discussed neurology in migrants and refugees will be useful to neurologists worldwide who can find appropriate knowledge for diagnosis and treatment when facing migrants with neurological disorders which are sometimes difficult to assess in the absence of clinical experience with the migrant population it will also be very useful for international organizations policymakers and non governmental organizations working in the field of health and migration this book will certainly find an indispensable place in neurological departments libraries and will constitute a basic textbook for teaching neurology taking into account ethnicity culture and health inequalities in the care of neurological disorders
