show me what democracy looks like this is what democracy looks like in recent years such chants in the main aimed at democratically elected governments by free citizens have become common in anti government protests across the world something is

clearly amiss with democracy in authentic democracy this democratic deficit is exposed by unpacking the underlying arguments and assumptions which justify the current political order authentic democracy shows that the existing democracies are in fact highly undemocratic and that anarchism is what authentic democracy looks like dan mckee offers an engaging and accessible case for anarchism deeply rooted in ethics and powerfully responding to conventional defences of authority this book is an original and valuable contribution which deserves a wide audience uri gordon author of anarchy alive

in an age defined by divisive discourse and disinformation democracy hangs in the balance let s agree to disagree seeks to reverse these trends by fostering constructive dialogue through critical thinking and critical media literacy this transformative text introduces readers to useful theories powerful case studies and easily adoptable strategies for becoming sharper critical thinkers more effective communicators and critically media literate citizens

this book presents a data driven message that exposes the cyberwar media campaign being directed by the pentagon and its patronage networks by demonstrating that the american public is being coerced by a threat that has been blown out of proportion much like the run up to the gulf war or the global war on terror this book discusses how the notion of cyberwar instills a crisis mentality that discourages formal risk assessment making the public anxious and hence susceptible to ill conceived solutions with content that challenges conventional notions regarding cyber security behold a pale farce covers topics including cybercrime modern espionage mass surveillance systems and the threats facing infrastructure targets such as the federal reserve the stock exchange and telecommunications in a way that provides objective analysis rather than advocacy this book is a must read for anyone concerned with the recent emergence of orwellian tools of mass interception that have developed under the guise of national security

introduction to public relations strategic digital and socially responsible communication presents a comprehensive introduction to the field of public relations examining its current practices and future directions in response to the dynamic shifts in technology business and culture authors janis t page and lawrence j parnell illustrate how today s pr professionals craft persuasive messages using modern technologies while working in line with the industry s foundations the text skillfully balances this approach by delving into communication theory history processes and practices demonstrating how these elements can be integrated into strategic public relations planning page and parnell guide students toward becoming socially responsible communicators where fostering trust and respect with diverse communities is valued over creating the next viral campaign the third edition responds to the rising focus on social responsibility sustainability ceo and investor activism and consumer demand for ethical brands and addresses these changes with updated

content including new features recent examples case studies and chapter opening scenarios

in writing this book i have tried to set down the board principles that govern the profession of public relations it is certain that the power of public opinion is constantly increasing and will keep on increasing it is equally certain that it is more and more being influenced changed stirred by impulses from below the danger which this development contains for a progressive ennobling of human society and a progressive heightening of human culture is apparent the duty of the higher strata of society the cultivated the learned the expert the intellectual is therefore clear they must inject moral and spiritual motives into public opinion public opinion must become public conscience

public relations as described in this volume is among other things society s solution to problems of maladjustment that plague an overcomplex world all of us individuals or organizations depend for survival and growth on adjustment to our publics publicist edward l bernays offers here the kind of advice individuals and a variety of organizations sought from him on a professional basis during more than four decades with such knowledge every intelligent person can carry on his or her activities more effectively this book provides know why as well know how bernays explains the underlying philosophy of public relations and the pr methods and practices to be applied in specific cases he presents broad approaches and solutions as they were successfully carried out in his long professional career public relations is not publicity press agency promotion advertising or a bag of tricks but a continuing process of social integration it is a field of adjusting private and public interest everyone engaged in any public activity and every student of human behavior and society will find in this book a challenge and opportunity to further both the public interest and their own interest

famed as the father of public relations edward bernays pioneered the technique of working to change attitudes rather than just selling products in this 1923 classic the first book ever written about the public relations industry he delineates the approaches that corporations and governments have taken for the past century to influence social tendencies crystallizing public opinion identifies the techniques employed by public relations professionals from authoritative sounding surveys to persuasive endorsements from opinion leaders celebrities and experts bernays whose high profile clients included procter gamble general electric cbs nbc and time inc cites examples from his successful campaigns including a physician endorsed promotion of bacon as a healthy breakfast option he quotes leading theorists on the role of herd mentality in the minds of the educated as well as the ignorant and he explains the value of communicating the right facts at the right time to a targeted audience although technology has changed in the years since this book s debut human nature has not and these principles remain of timeless value to business and marketing professionals

students of public relations and other readers

what do reviewers have to say about media in your life the text s strengths are on the emphasis on media history convergence trends and marketplaces i also appreciate that the text is written at a sophisticated yet appropriate level for college students kim smith iowa state university the material covered is essential to the understanding of the current student in today s media culture jeanne rollberg university of arkansas little rock authors that forget that they are teachers and try too hard to pretend they re the students friends don t do their content justice nor do they model appropriate writing for students to emulate folkerts and lacy don t fall into this trap they present material credibly appropriately and yet readably rebecca lind university of illinois chicago the overall strengths of media in your life are that it is exhaustively researched and attractively presented the broad topic of mass media is effectively structured into an accessible format randall k pugh montana state university billings l the book s emphasis on knowledge students can use in navigating our complex culture is a major strength its organization is logical it is well documented it provides a solid summary of most significant media related issues of the day william lingle linfield college the authors have a good framework to present an overview of the structure and process of mass communication in the u s the text is visually appealing and will attract students interest elizabeth perse university of delaware

richard milton exposes the secrets of a relationship steeped in mutual admiration blood and propaganda

this publication contributes to the scientific understanding of gender women and tobacco in the context of efforts to control the global tobacco epidemic topics covered include determinants of starting to use tobacco exposure to second hand smoke the impact that tobacco use has on health addiction and cessation treatment programs and gender and human rights policy the publication also addresses national economic policy with regard to tobacco control international treaties and strategies for tobacco free mobilization at the regional and international levels special attention is paid to an analysis of policies that affect girls and women throughout the life course men s responsibility to protect women against second hand smoke is also highlighted publisher s description

in after the public turn author frank farmer argues that counterpublics and the people who make counterpublics citizen bricoleurs deserve a more prominent role in our scholarship and in our classrooms encouraging students to understand and consider resistant or oppositional discourse is a viable route toward mature participation as citizens in a democracy farmer examines two very different kinds of publics cultural and disciplinary and discusses two counterpublics within those broad categories zine discourses and certain academic discourses by juxtaposing these two significantly different kinds of publics farmer suggests that each discursive world can be seen in its

own distinct way as a counterpublic an oppositional social formation that has a stake in widening or altering public life as we know it drawing on major figures in rhetoric and cultural theory farmer builds his argument about composition teaching and its relation to the public sphere leading to a more sophisticated understanding of public life and a deeper sense of what democratic citizenship means for our time
