at this critical point in the history of world missions it is imperative for us to take a step back from business as usual in our work around the globe and reevaluate the strategies and methods we are implementing what is working what isn't if we're honest there may be more not working than we would care to admit in this book written in the early 1900s roland allen invites us to look at the missionary work of the apostle paul with fresh eyes and an igniting perspective that is strikingly relevant to the greatest challenges we are facing today in modern missions he offers a well of insight from the methodology of paul that will focus and unite us as we draw nearer than ever before to our goal of fulfilling the great commission and reaching the world with the gospel of jesus christ

st paul is one of the most important figures in christian history as saul of tarsus he vigorously persecuted christianity even collaborating in the death of christianity's first martyr stephen his encounter with the resurrected jesus on the road to damascus changed paul's life the christian church and world history more than anyone else in the early church paul saw the universal nature of the christian message he became the apostle to the gentiles and the teacher of the nations as the human author of half of the new testament paul is a figure who cannot be overlooked by anyone who wants to understand jesus christ and christianity in this book pope benedict xvi a profound spiritual leader in his own right and a first rate theologian and bible commentator explores the legacy of paul pope benedict follows the course of the apostle's life including his missionary journeys and his relationship with the other apostles of jesus such as st peter and st james and paul's martyrdom in rome benedict also examines such questions as did paul know jesus during his earthly life and how much of jesus teaching and ministry did he know of did paul distort the teachings of jesus what role did jesus death and resurrection play in paul's teaching what are we to make of paul's teaching about the end of the world what does paul's teaching say about the differences between catholic and protestant christians over salvation and the roles of faith and works in the christian life how have modern catholic and protestant scholars come together in their understanding of paul what does paul have to teach us today about living a spiritual life these and other important issues are addressed in this masterful inspirational and highly readable presentation of st paul and his writings by one of today's great spiritual teachers pope benedict xvi the apostle paul an outstanding and almost inimitable yet stimulating figure stands before us as an example of total dedication to the lord and to his church as well as of great openness to humanity and its cultures pope benedict xvi
