drawing on many years of marcan studies world class scholar r t france has produced an exegetical commentary on the greek text of mark that does what the best of recent greek commentaries have done but in france's own inimitable reader friendly way this work is a commentary on mark itself not a commentary on commentaries of mark it deals immediately and directly with matters that france himself regards as important working from his own translation of the greek text and culling from helpful research into the world of first century palestine france provides an extensive introduction to mark's gospel followed by insightful section and verse commentary france sees the structure of mark's gospel as an effective drama in three acts act 1 takes up jesus public ministry in galilee act 2 covers jesus journey to jerusalem with his disciples act 3 focuses on jesus public ministry in jerusalem including his confrontation with the jewish leaders his explanatory discourse on the future and his passion death and resurrection france carefully unpacks for modern readers the two central themes of this powerful narrative of jesus life the nature of christ and the role of discipleship supported by careful argumentation and impressive in its sensitivity to mark's structure context and use of the old

testament france s study of the second gospel is without peer

peter david s study on the epistle of james is a contribution to the new international greek testament commentary a series based on the ubs greek new testament which attempts to provide thorough exegesis of the text that is sensitive to theological themes as well as to the details of the historical linguistic and textual context

this superb volume in the new international greek testament commentary series provides the most detailed definitive and distinctive commentary on 1 corinthians available in english to date one of the world s most respected christian theologians anthony thiselton here provides in depth discussion of the language of 1 corinthians presents his own careful translation of the greek traces the main issues of interpretation from the church fathers to the present and highlights topics of theological ethical and sociohistorical interest today including ethics and rights marriage divorce and remarriage headship gender prophecy and many others no other commentary on 1 corinthians embodies the wealth and depth of detail presented in thiselton s work which takes account of nearly all scholarly research on 1 corinthians and incorporates substantial bibliographies throughout in his commentary thiselton indeed addresses virtually every question that thoughtful serious readers scholars students pastors teachers may wish to ask of or about the text of 1 corinthians his work truly offers a fresh comprehensive and original contribution to our understanding of this major epistle and its contemporary relevance

the gospel of luke was written says its author as an historical account of the ministry of jesus not only would it serve as the basis for a sound faith on the part of professing christians but it would also claim a place for christianity in history christ s ministry as luke shows is realized prophecy it is that time during which god s promise of salvation was fulfilled his teachings healing and acts of compassion are all part of the good news in luke s gospel christ s message of salvation is directed to the weak poor and needy with an emphasis on the importance of self denial and of whole hearted discipleship thus while luke is the most conscious historian of the gospel writers his history is a vehicle of theological interpretation in which the significance of jesus is expressed in this commentary i howard marshall calls attention to the theological message of luke the evangelist his primary purpose is to exegete the text as it was written by luke so that the distinctiveness of luke s gospel may be seen basing his commentary on the third edition of the greek new testament dr marshall also refers to many variant readings which are significant in this study he provides fairly full information on the meanings of the greek words used by luke and shows which words and constructions occur frequently and are therefore characteristic of his style it is by this meticulous analysis of the greek that luke s theological intentions can be objectively determined

juan chapa offers nuanced discussions of many topics that currently occupy the field of textual criticism including debates over the dating of new testament papyri the preference for the codex the liturgical use of texts the presence of nomina sacra textual variants the establishment of the new testament text problems with the term original and the challenge of textual fluidity his unique approach illustrates how a catholic perspective the rule of faith and the latin textual tradition can inform our understanding of the origin preservation and authority of the new testament text chapa s

work contributes a distinctively catholic voice to the largely protestant chorus that has dominated the field thus filling a lacuna in contemporary text critical conversations

presents selections of literary criticism devoted to the bible

f f bruce s study on the epistle to the hebrews is a contribution to the new international commentary on the new testament prepared by some of the world s leading scholars the series provides an exposition of the new testament books that is thorough and fully abreast of modern scholarship yet faithful to the scriptures as the infallible word of god

this commentary series is established on the presupposition that the theological character of the new testament documents calls for exegesis that is sensitive to theological themes as well as to the details of the historical linguistic and textual context such thorough exegetical work lies at the heart of these volumes which contain detailed verse by verse commentary preceded by general comments on each section and subsection of the text an important aim of the nigtc authors is to interact with the wealth of significant new testament research published in recent articles and monographs in this connection the authors make their own scholarly contributions to the ongoing study of the biblical text the text on which these commentaries are based is the ubs greek new testament edited by kurt aland and others while engaging the major questions of text and interpretation at a scholarly level the authors keep in mind the needs of the beginning student of greek as well as the pastor or layperson who may have studied the language at some time but does not now use it on a regular basis

this book candidly unfolds revelation 13 17 and 18 which describe who the apocalyptic antichrist is in the very heart of johns end time prophetic narrative comes stunning imagery of the final three phases of this powerful being and his church they are the fulfillment of daniels prophecies of the little horn vile person and king of the north with unreserved clarity john is told that this religious power would be centered in the city of the seven hills with stunning geopolitical ties to the leaders of the world the clues of when it begins are amazing it is inaugurated at a time when a woman and a beasta church and a state have merged there is no other conclusion that can be drawn than that this is when the roman catholic church was awarded the vatican city state in 1929 the papal leaders from that point on with its final forty two months of history are given in vivid detail in arresting detail god discloses the horrifying suppressive power this church will soon wield and the worlds gullible worship of its falsehoods this amazing document mines the very depths of truths god has revealed as never before for us today

paul s epistle to the colossians merits detailed study for at least two reasons first it provides an unexpectedly interesting window into the character of christianity in asia minor in the second half of the first century with the information it gives about the religious tensions within which emergent christianity was caught up not least those between christianity and diaspora judaism we begin to gain more insight into the influences and factors that shaped the transition from apostolic to subapostolic christianity in the region second colossians represents a crucial stage in the development of pauline theology itself whether it was written at the end of paul s life or soon after his death it indicates how pauline theology retained its own vital character and did not die with paul in this volume in the

celebrated new international greek testament commentary james d g dunn author of numerous well received works on the historical origin and theological interpretation of the new testament provides detailed expositions of the text of paul s letters to the colossians and to philemon dunn examines each of these letters within the context of the jewish and hellenistic cultures in the first century and discusses the place of colossians and philemon in the relationship between the pauline mission and the early churches that received these letters particular stress is also placed on the role of faith in jesus christ within and over against judaism and on the counsel of these two important letters with regard to the shaping of human relationships in the community of faith

having devoted the past ten years of his life to research for this major new work john nolland gives us a commentary on the gospel of matthew that engages with a notable range of matthean scholarship and offers fresh interpretations of the dominant gospel in the history of the church without neglecting the gospel s sources or historical background nolland places his central focus on the content and method of matthew s story his work explores matthew s narrative technique and the inner logic of the unfolding text giving full weight to the jewish character of the book and its differences from mark s presentation of parallel material while finding it unlikely that the apostle matthew himself composed the book nolland does argue that matthew s gospel reflects the historical ministry of jesus with considerable accuracy and he brings to the table new evidence for an early date of composition including accurate translations based on the latest greek text detailed verse by verse comments thorough bibliographies for each section and an array of insightful critical approaches nolland s gospel of matthew will stimulate students preachers and scholars seeking to understand more fully matthew s presentation of the gospel narrative

for centuries now the vast majority of the christian population in the west has been locked into the mindset that believing in a creator god is a matter of faith and emotions as opposed to clear and rational thought and that faith should be kept in the private realm under investigation aims at dispelling this oppressive way of thinking this is a workbook that will arm christians with scientific truths written in plain language its goal is to target the integrity of the new testament using scholarly historical and literary scientific findings knowledge is power and in the quest for absolute truth this workbook will guide the student to an educated understanding of both who the god depicted in the bible truly is and who he is not

paul s letter to the churches of galatia was for many years a document of special interest and study for renowned new testament scholar f f bruce this excellent volume in the new international greek testament commentary series contains bruce s mature work on that important early epistle through phrase by phrase exegesis of the greek text consistent awareness of the historical and geographical context and balanced dialogue with scores of other scholars bruce successfully bridges the hermeneutical gap and makes the text of galatians come alive for both scholars and students based on careful historical critical linguistic exegesis yet primarily theological in character this commentary places special emphasis throughout on paul s insistence on justification before god by faith apart from works of the law and on paul s presentation of the spirit as the principle of the new life in christ

often the pastoral letters have not received the attention they deserve in addition to being

indispensable for understanding the pastoral office these letters are rich in teaching regarding many of the cardinal doctrines of the christian faith christology soteriology eschatology ethics and the church s worship life in grace and life paul deterding explores these topics through careful exegesis of these texts and a number of essays on the major subjects of these letters his work will be of interest to pastors looking for help for preaching and teaching it will also aid lay readers in understanding the responsibilities of the pastoral office and the divine authority that enables them to carry out their ministry
