Sage has again been the first to hit the market with a major reference in a rapidly growing field of the social sciences. Virtually every academic and large public library will need the Encyclopedia of Leadership. Book News: The enormous demands on leadership in today's world, the rise of militant followings, the struggle of long-suppressed people to rise to leadership positions, the heightened demand for moral, principled leadership—all these dynamic forces contribute to making this encyclopedia timely and timeless. From the foreword by James MacGregor Burns, Williams College author of *Leadership* and winner of the Pulitzer Prize and National Book Award. As the field of leadership studies expands and the list of important authors and concepts grows, the time is at hand for a comprehensive encyclopedia of leadership. This collection will be welcomed by all who want to understand this important and complex field. Howard Gardner, John H. and Elisabeth A. Hobbs, professor of cognition and education at the Harvard Graduate School of Education and author of *Good Work: When Excellence and Ethics Meet* (2001) and *Leading Minds: An Anatomy of Leadership* (1995). In 1975, a wag declared that the concept of leadership should be abandoned. It was not of course. The 300 contributors to the Encyclopedia of Leadership are leaders among the many thousands of scholars responsible for the health and vast breadth of leadership studies. They show us that leadership plays an important, increasingly integral role today in fields ranging from world politics to community development. Bernard M. Bass, distinguished professor emeritus, Center for Leadership Studies, School of Management, Binghamton University and author of *Transformational Leadership: Industrial, Military, and Educational Impact* (1998) and *Leadership and Performance Beyond Expectations* (1985).
