a selection of key writings from the french religious philosopher jean borella

excerpt from the christian experiences gospel labours and writings although my intimacy with our deceased friend was but of later years yet i find something in my to write concerning him and in commemoration of god s blessed power and word of life that reached

him and made him through faith and obedience unto the lord jesus christ what he was for that is it which is most worthy of praise and without it we are nothing nor able to do any thing that tends to our own peace or the benefit of others and it was by this the lord in the morning of this blessed day that he hath caused to spring from on high visited his soul in this latter age of the world wherein after a night of darkness and time of apostacy he was graciously pleased by that divine and heavenly light which he in the beginning caused to shine out of darkness to shine into the hearts of many and gave unto them the light of the knowledge of his glory in the face of christ jesus and made them possessors of this treasure in their earthen vessels that were poor and despicable instruments in the eyes of the worldly wise and their own yet fitted and raised up by the power of him that raised up our lord jesus from the dead commissionated and sent forth by the lord in the evidence and demonstration of his eternal spirit to publish the glad tidings of peace to preach the gospel of life and salvation and to turn people from darkness to light from the power of satan to god that they might know remission of sin and an inheritance among them that are sanctified through faith in the lord jesus christ the true light that lighteth every man that cometh into the world about the publisher forgotten books publishes hundreds of thousands of rare and classic books find more at forgottenbooks.com this book is a reproduction of an important historical work forgotten books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy in rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition we do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

christian writing decoded provides the reader with a detailed history and analysis of the most important christian writings saint augustine of hippo has long been a central figure to christian thought informing both on the nature of god and the nature of christian morality the treatise on grace and free will is one part of a much larger conversation that augustine was having with other priests and leaders within the north african church the text is rich in history and is an important read for christians and historians this book provides an original history and analysis of on grace and free will coupled with an appendix

the history of christian theology can be a daunting even forbidding field for the novice who sees neither the need for nor pertinence of rummaging around dusty old texts this people friendly volume a full scale reader in the history of christian theology offers an easy non threatening occasionally humorous yet quite thorough entry into christianity s central texts from the apostolic fathers to mary daly it is also enlivened by dozens of cartoons by rich diesslin highly accessible introductions to five periods precede brief introductions to and texts from more than fifty key thinkers the texts highlight perennial themes and questions in christian tradition especially the meaning and importance of jesus challenges to the institutional church tensions of faith and reason spirituality and the

christian quest for social justice the new edition half again as large as the original adds significant work from the cappadocian fathers and the christological controversialists the franciscan tradition the radical and english reforms and deeper coverage of twentieth century theologians with learning aids research paper suggestions and guide and glossary publisher description

here is an exceptional sampling of the great spiritual doctrinal and devotional writings that have shaped how christians have thought and lived for two millennia featuring uplifting extracts from one hundred classics of the christian tradition those generally recognized as of the highest importance it introduces each author explains the circumstances in which his or her work was written and then offers a representative reading chronologically arranged the readings chart the course of christianity through the words of great writers and spiritual giants and present a banquet of wisdom and insight from the earliest church fathers to the close of the nineteenth century great as a devotional it s a book to browse a book to quote and a book to treasure

writings of romano guardini includes bibliography and index

for more than twenty years renovarÉ has pioneered the use of spiritual classics for deepening our lives of discipleship their highly praised compendiums devotional classics and spiritual classics have sold 500 000 copies now they have put together a prestigious editorial board and polled respected christian leaders and thinkers from a variety of christian traditions including catholic orthodox and protestant to present the twenty five most spiritually influential and important books for christians to read there are books that should be shaping the church our faith and our engagement in the world from timeless classics like the imitation of christ to unexpected selections like fyodor dostoevsky s the brothers karamazov and the poetry of gerard manley hopkins 25 books every christian should read provides historical background for each work and explains its importance for modern christians while including selected readings from every book to get you started in addition each chapter ends with discussion questions to the work for use in small groups or for personal reflection 25 books every christian should read is a pivotal resource for the future of christianity an invitation into the fullness and richness of the christian tradition

augustine of hippo also known as augustine st augustine st austin st augoustinos blessed augustine or st augustine the blessed was bishop of hippo regius present day annaba algeria he was a latin speaking philosopher and theologian who lived in the roman africa province his writings were very influential in the development of western christianity according to his contemporary jerome augustine established anew the ancient faith in his early years he was heavily influenced by manichaeism and afterward by the neo platonism of plotinus after his conversion to christianity and baptism ad 387 augustine developed his own approach to philosophy

and theology accommodating a variety of methods and different perspectives he believed that the grace of christ was indispensable to human freedom and he framed the concepts of original sin and just war this classic work on christian doctrine was translated into several languages and played an important role in the spreading of the ideals of eastern and western christianity
