a new translation of the hebrew scriptures

the story of ancient israel from the arrival in canaan to the destruction of the kingdom of judah and the babylonian exile some six centuries later here is the highly anticipated second volume in everett fox s landmark translation of the hebrew bible the personalities who appear in the pages of the early prophets and the political and moral dilemmas their stories illuminate are part of the living consciousness of the western world from joshua and the tumbling walls of jericho to samson and delilah the prophet samuel and the tragic king saul david and

goliath bathsheba and absalom king solomon s temple elijah and the chariot of fire ahab and jezebel the stories of these men and women are deeply etched into western culture because they beautifully encapsulate the human experience the four books that comprise the early prophets look at tribal rivalries dramatic changes in leadership and the intrusions of neighboring empires through the prism of the divine human relationship over the centuries the faithful have read these narratives as demonstrations of the perils of disobeying god s will and time and again jews in exile found that the stories spoke to their own situations of cultural assimilation destruction and the reformulation of identity they have had an equally indelible impact on generations of christians who have seen in many of the narratives foreshadowings of the life and death of jesus as well as models for their own lives and the careers of their leaders but beyond its importance as a foundational religious document the early prophets is a great work of literature a powerful and distinctive narrative of the past that seeks meaning in the midst of national catastrophe accompanied by illuminating commentary notes and maps everett fox s masterly translation of the hebrew original re creates the echoes allusions alliterations and wordplays that rhetorically underscore its meaning and are intrinsic to a timeless text meant to be both studied and read aloud

a wonderful torah study resource discover multiple perspectives on every parashah in this rich collection of commentary written by ccar members includes holiday portions as well makes a great gift for students teachers and congregational leaders published by ccar press a division of the central conference of american rabbis

originally published in 1999 cathedrals of consumption examines the history of the department store after many decades in which it was almost exclusively historians of retailing and company biographers who were interested in the phenomenon the department store has now come to attract the attention of historians of culture consumption gender urban life and much more indeed the department store in its classic era of expansive growth has often seemed better than anything else to embody the cultural and social modernity of its time the articles in this book range widely in presenting the breadth of these new approaches to department store history an introductory essay explores the questions that surround the department store from its appearance in the mid nineteenth century through its golden age in the decades before the first world war to the challenges posed in the more competitive world of inter war europe a dozen contributors writing about britain france germany belgium and hungary then examine themes as varied as the new public space which department stores provided for women the politics of consumption the architecture of the new stores the training of the workforce

the cult of shopping advertising strategies shoplifting employer organisations and the geographical spread of the new stores while a comparison with eighteenth century london raises the question of just how new the department store was

a mosaic of concise and generously illustrated articles introduces the reader to the first zionist congress the circumstances leading up to it and its consequences succinct biographical sketches highlight known and lesser known jewish and zionist personalities and provide fascinating insights into the everyday life of jewish communities reflecting the structure of the exhibition the publication first examines the origins of zionism as a response to the changing patterns of life for european jews in the last century the first zionist congress in basel and its resolutions the so called baseler programm are the focus of the next chapter the ramifications of the congress up to the foundation of the state of israel are explored in detail and a variety of issues such as the evolving fractions of the zionist movement the role of women relationships with the arabic palestinian inhabitants and the influence of the shoa receive special attention a lively discussion of the relevance of zionism today concludes the publication a team of historians from the university of basel has put together a publication which serves both as a guide to the exhibition and a valuable source for further study it is strongly recommended to anybody interested in contemporary history jewish history or the history and reception of zionism as well as to all those seeking to form their own opinions about an influential social movement of our century

the religious imagination is alive and well in the movies contrary to those who criticize hollywood popular movies very often have metaphorically represented god on the screen from clint eastwood as an avenging angel in pale rider and nicolas cage as a lovesick angel in city of angels to jessica lange as an angel of death in all that jazz and from george burns as god in oh god to audrey hepburn in always to pure white light in fearless and flatliners god is very much present in the movies

features studies of german jews and their relations with the rest of german society in the last two centuries
