small groups continue to be a significant part of church life and christian formation in the twenty first century impacting a church and society characterized by loneliness and fragmentation as such julie gorman is prompted to declare small groups have come of age they have found unprecedented acceptance and endorsement this is a comprehensive book on small groups and christian formation informed by theology church history and the social sciences it addresses both the foundations and praxis of groups with a special emphasis on leading dynamic group discussions

the best selling small group guidebook over 100 000 sold now updated like nothing else small groups have the power to change lives they re the ideal route to discipleship a place where the rubber of biblical truth meets the road of human relationships for six years bill donahue provided training and resources for small group leaders so that willow creek could build a church of small groups now he is committed to creating tools that will help church leaders pursue the same goal to provide a place in community for everyone in their congregation in leading life changing small groups donahue and his team share in depth the practical insights that have made willow creek s small group ministry so effective the comprehensive ready reference guide for small group leaders the unique ready reference format of this book gives small group leaders pastors church leaders educators and counselors a commanding grasp of group formation and values leadership requirements and responsibilities the philosophy and structure of small groups meeting preparation and participation discipleship within the group leadership training and much more from an individual group to an entire small group ministry leading life changing small groups gives you the comprehensive guidance you need to cultivate life changing small groups and growing fruitful followers of christ

for the new small group leader the seasoned leader who feels their small group lacks purpose or the leader who is itching to move their small group to the next level leading small groups with purpose is the road map to follow steve gladen author of small groups with purpose and pastor of small groups at saddleback church for more than a decade takes small group leaders step by step toward a healthy dynamic group with focus and purpose every chapter includes ideas that small group leaders can implement immediately as well as ways to shape their small groups over time gladen helps leaders define success clearly develop a personal leadership plan invite members into the group and shepherd members through fellowship discipleship ministry evangelism and worship he also includes a chapter devoted to addressing problems proactively and using them as opportunities for growth includes a foreword by john ortberg and a free small group assessment tool 12 50 value

over the past two decades small groups have gone from spontaneous gatherings among friends to a major and elaborate phenomenon in the church many evangelical churches have some form of small groups ministry in place but there s just one problem says bill search what started as a simple get together has become a complicated process especially for small group leaders they are often not sure what is expected of them or what to expect

from their groups as a result of their efforts in simple small groups search lays out the three c s of small groups connecting changing and cultivating this paradigm helps to simplify leading small groups in a way that is helpful rewarding and life changing unlike many other books geared toward small group leaders simple small groups does not require a church wide adoption of an intricately designed system of assimilation making it useful to any small group leader looking for guidance

in this revised edition of his small group guidebook jeffrey arnold discusses the basic components and dynamics of small groups and offers training and resources to help you get started in effective small group ministry

revel for communicating in small groups principles and practices balances the principles of small group communication with real world applications with an emphasis on practical examples technology and ethical collaboration revel for communicating in small groups helps readers enhance their performance in groups and teams while giving them insight into why group and team members communicate as they do revel is pearson s newest way of delivering our respected content fully digital and highly engaging revel offers an immersive learning experience designed for the way today s students read think and learn enlivening course content with media interactives and assessments revel empowers educators to increase engagement with the course and to better connect with students note revel is a fully digital delivery of pearson content this isbn is for the standalone revel access card in addition to this access card you will need a course invite link provided by your instructor to register for and use revel

small groups continue to be a significant part of church life and christian formation in the twenty first century impacting a church and society characterized by loneliness and fragmentation as such julie gorman is prompted to declare small groups have come of age they have found unprecedented acceptance and endorsement this is a comprehensive book on small groups and christian formation informed by theology church history and the social sciences it addresses both the foundations and praxis of groups with a special emphasis on leading dynamic group discussions

small groups are a great place to connect with other churchgoers but many wonder is this all there is is sitting in a living room talking about a book or watching a video the extent of what we can do together isn t being a christian community about something more than this pastor and author scott

boren thinks so in this latest release from missional thinktank allelon boren gives leaders and members of small groups the tools they need to make an impact on their communities beginning with a gentle critique of current small group models boren goes on to show how a uniquely christian paradigm can set groups free to transform their communities the final section of the book offers over twenty practices that groups can do to become more missional ultimately missional small groups is about helping groups follow jesus by equipping them to bring his message and healing to a hurting world

leading a small group can literally change the world we have been commissioned to make disciples who make disciples and jesus showed us that the best way to carry that out is through small groups of believers just like the first century church small groups form the foundation to take the gospel to the ends of the earth chris surratt discipleship and small groups specialist for lifeway christian resources and author of small groups for the rest of us wants to help you get from here to there regardless of whether you have never lead a small group or have been leading one for years all of us want to know how to create environments where spiritual growth takes place and communities are changed leading small groups walks the reader through the stages of gathering launching leading and multiplying a gospel centered small group there are also follow up questions for discussion and reflection at the end of each section and practical resources that can be implemented immediately by the small group leader jesus left his followers with a task the great commission this book will help small group leaders and churches in their obedience to this task

this practical book gives students the fundamental knowledge and skills necessary to communicate more effectively and interact more productively in the small group setting with the help of this book any group member can learn the skills necessary to participate in and lead a task group in an effective productive and healthy manner the fourth edition features new content on communicating within virtual groups and conducting online meetings

now completely rewritten updated and expanded for a new generation of small group leaders this ivp classic contains everything you need to know about small groups starting with a strong biblical and strategic foundation building in 4 key components community nurture worship and outreach guiding the group through its life stages creating good communication handling conflict in the group encouraging members to own the group planning

group meetings and developing leadership skills and besides warm wise counsel small group leaders handbook includes a resource section that is overflowing with great ideas ice breakers application steps community building projects outreach tips and much more whether you are starting a new group working to get a group back on track or introducing a small group program as part of church or parachurch ministry here is your ticket to effective foundations training and practice

over the past fifteen years small groups have become a vital way to build community in large churches nowhere has this been more apparent than at saddleback church now steve gladen pastor of small groups at saddleback shares the secrets of that ministry's incredible success in creating small groups with purpose this practical book walks church leaders through the questions they need to answer to develop their own intentional small group strategy built around the most commonly asked questions small groups with purpose outlines the step by step process of creating a successful small group ministry because it is built upon principles and not methods this plan can be implemented in any size church each chapter ends with a list of questions for readers to answer to help them assess their current situation and their desires for the future personal stories scripture and examples ground the discussion and show the system in action pastors and small group leaders will find this book instrumental in making small groups work in their churches

the eighth edition of small group communication theory and practice presents a collection of readings from the most well known researchers and practitioners in the field this comprehensive anthology spans a broad range of topics in communication theory research and practice these include contemporary views of small groups theories of group communication group development and organization group communication processes group and team performance group leadership culture and diversity in groups and methods for analyzing group communication new to the eighth edition new lead coeditor randy hirokawa university of iowa brings a strong background in small group communication to the new edition which features fourteen new and three updated chapters new topics include the bona fide group perspective the functional perspective symbolic convergence theory multiple sequence models of group development virtual group communication new communication technologies social influence processes in groups counteractive influence and group leadership characteristics of effective health care teams sex gender and communication in groups narrative analysis

of group communication methods for evaluating group communication in addition two new sections have been added theories of group communication and observing group communication with three new chapters in each section thought provoking introductions to each section provide internal cohesiveness and structure to the book importantly each reading offers its own individual introduction which alerts readers to key points and integrates the selection into the larger themes of the section these introductions serve as a road map as students travel through the ongoing intellectual developments diverse views and continuing debates that make the study of small group communication an exciting adventure

what if you had invented church small groups would anything be different we do small groups the way we ve always done em that seems to be the rule but austin maxheimer and zach below ask the question why what if they wondered church small groups had been invented today instead of in the megachurch heyday of the 1980s would any sacred cows disappear or at least be prodded toward fresh vision and action they decided to find out from couch to community helps pastors small group leaders and group members face the sacred cows in today s small group ministries and uncover how to create real life change instead shift church groups away from paradigms of complacency and move people toward relevant compassionate relationships discover how to help people far from god experience jesus through small groups so are you ready to activate anew the potential of your church community find out how inside
