the goodness of god is one of the most revolutionary truths of the bible but our generation has lost faith in the goodness of god the image you carry in your heart of god and what he is like will dramatically affect your life character and destiny do you believe god can be your hero do you believe god has a good heart do you believe that god can transform you into the type of christian that you always wanted to be when we begin to understand and believe what it means when the bible boldly declares that god is good always our lives will begin a breathtaking transformation as we rise up to be a mighty witness for our lord anyone who has been touched with the goodness of god cannot come away the same the goodness of god encompasses everything that god is and is a perfect representation of all his characteristics the goodness of god is the foundation of all his works plans and purposes if we are to understand what god is like we must first know that he is good and not evil the devil works tirelessly to keep the truth of the goodness of god lost in the mindset of this world and marshals all of his forces to cause confusion about the true

character of our god the goodness of god is the pinnacle point of the spiritual battle that rages all around us understanding the goodness of god is first and foremost in spiritual warfare because without this you can never stand for god faithfully

join with us as we look into some of the mysteries of the apocalypse to the reader many interpretations have been attempted in understanding the book of revelation what is meant by the revelation of jesus christ apoc 1 1 seal up the words why are the words sealed to unbelievers and to the incredulous why are the words open to those very few who believe who are the seven kings who is the eighth king what does it mean by blessed are they that wash their robes in the blood of the lamb that they may have a right to the tree of life and may enter in by the gates into the city apoc 22 14 saint john saw the holy city the new jerusalem coming down out of heaven from god apoc 21 2 because he saw this then the question arises did saint john write this prophecy in the 21st century looking back on time join with us as we look into some of the mysteries of the apocalypse

this is the second edition of a book published as long ago as 1962 the at that time relatively young dr a f j klijn was brought up in the school of w c van unnik and g quispel both in utrecht in his book about the acts of thomas he tried to demonstrate that this work cannot be reckoned among the gnostic writings but belongs to the early syriac or rather eastern christian tradition in the last decades much has been written about syriac christianity which made it necessary to rewrite the original introduction of this book the commentary has mainly been left as it was although many additions have been made to its great number of valuable references
