this is the first comprehensive reference work to cover the entire domain of gnosis and western esotericism from late antiquity to the present it contains critical discussions of all its major authors currents and manifestations from gnosticism to the new age also available soon in unabridged one volume edition

the author presents with this intellectual biography of the lutheran alchemist count michael maier an academic study of western esotericism in general and to the study of alchemy and rosicrucianism in particular the author charts the development of maier s hermetic worldview in the context of his service at the courts of emperor rudolf ii and moritz of hessen kassel the problem of the nature of early rosicrucianism is addressed in detail with reference to maier s role in the promotion of this serious jest in the years immediately prior to the outbreak of the thirty years war the work is set in the context of ongoing debates concerning the nature of early modern alchemy and its role in the history of western esotericism

hermeticism or alchemy is the ancient primordial mystery science of nature through which people in all times and places have for the sake of world evolution sought to unite heaven and earth divinity cosmos earth and humanity as a single whole selfless intimate dedicated to healing and harmony hermeticism has accompanied and sustained every religious epoch and revelation it may be found in all historical cultures from the traditions of india and china in the

east to the judeo christian west it could even be said that hermeticism is the primal cosmological revelation and the common ground of all spiritual traditions nevertheless in the great revival of mystical esoteric traditions and practices during the last century hermetic tradition in fact nature herself has been largely ignored today when the earth seems most under attack green hermeticism is especially appropriate the book explores not only the ancient masters inner science but also their science of nature during spring and summer 2006 pir zia khan convened a series of gatherings to begin to unfold the contemporary meaning of ancient sacred science for our time green hermeticism is a partial record of that meeting peter lamborn wilson explores the many ramifications of the alternative worldview offered by hermeticism christopher bamford provides a broad historical overview of the tradition from the ancient mysteries to contemporary manifestations of the alchemical tradition while kevin townley brings a practical dimension to the gathering teaching the preparation of herbal elixirs and demonstrating that cosmology and philosophy can become a truly healing path for the earth green hermeticism is necessary reading for anyone seeking a spiritual and cultural path for the healing of the current ecological and cultural crisis in alchemy there is an injunction to quicken or revive the dead which is illustrated by a dead tree growing verdant again that is exactly what this wonderful and rare work does in awakening human consciousness to its divine potential and ultimate destiny art thus helps nature to achieve its ideal perfection the authors must be congratulated for their insightful words i wholeheartedly recommend reading it again and again and again stanislas klossowski de rola author alchemy the secret art and the golden game alchemical engravings of the seventeenth century environmental solutions today are largely technical but the planetary crisis is also a crisis of soul or better yet of the imagination too tricky for religion too poetic for reductionist science green hermeticism reheats a prophetic imagination still in love with the material world a new alchemy of ancient nature erik davis author the visionary state a journey through california s spiritual landscape just when you felt numb and disenfranchised thinking the world had become bleak and dead along comes this rare much needed book to remind us that there is still some sanity depth and creative energy percolating up from the heart of reality thank god and the goddess nature for this smart and inspiring breath of fresh air green hermeticism is where the wasteland ends and where the world becomes re enchanted with genuine living thought that goes beyond superficialities it s a rare pleasure to be in the presence of living minds who actually know something wonderful and have not been deadened by the opiates of capital or the tenure
