prayer the raising of the heart to god is the heart of the christian life for the author of luke s gospel and the acts of the apostles prayer is the habit of being in the presence of god one of the primary ways jesus is characterized in luke s gospel is that of a pray er likewise in the acts of the apostles the apostles are portrayed being in god s presence prayer is the topic of this book it highlights the passages where jesus is found praying in the gospel and where the apostles are found praying in the acts from the example jesus gives in luke s gospel and from the example the apostles give in the acts of the apostles the reader concludes that prayer should be a part of the life of any christian if jesus himself prayed spoke and listened to god then how can his followers do any less this book can be used during the advent christmas season

the book of psalms is one of the most frequently cited books in the new testament the synoptic evangelists seem to read the psalms not primarily as prayers but as prophecies of the future they discovered in its language prophecies concerning the life and ministry of jesus and attempted to show how jesus life was prefigured in the psalms samuel subramanian examines the topic within the broader use of the old testament in the new testament that of the prophetic reading of the psalms in the synoptic gospels and in the context of second temple judaism although others have treated individual psalm quotations as prophecy my work is the first to examine all of the psalm quotations within the synoptic gospels in this light and the first to demonstrate that these excerpts were used prophetically in some cases these psalm quotations were used by the synoptic evangelists in a manner that is thought to fulfill a prophecy from or about jesus within the gospel narratives even though this particular use of the psalms by the synoptic evangelists has not been widely recognized previously this study shows how similar exegetical techniques of looking for prophecies in the psalms was practiced by non christian jews of the period

the gospel speaks to a broad range of concerns concerns that differ from person to person group to group culture to culture yet the practice of the twentieth century church has been to concentrate on one part of the gospel repentance and justification as if it were the whole and to proclaim that part uniformly often without meaningful context that would demonstrate the relevance of christ to the hearer the gospel and its meaning breaks fresh ground for evangelism it equips the students of evangelism with theological foundations for reaching diverse groups from hindu pantheists to radical environmentalists without compromising the gospel's integrity the gospel and its meaning identifies the basic elements of the gospel shows the relationship of these elements to specific doctrines of theology identifies theologians and systems that have focused on particular doctrines shows which elements of the gospel deal most clearly with various issues of evangelism suggests avenues of ministry that can address each evangelistic issue by showing how different parts of the gospel address the concerns of people within and without the judeo christian worldview the gospel and its meaning helps those in any kind of evangelistic ministry to develop a means for connecting the gospel directly to the world of the hearer while distinguishing it clearly from philosophies of relativism and pluralism

the gospel of jesus christ is not one theory of the world s origin and purpose standing behind or alongside other competing viewpoints neither is it one of many components of the christian religion it is the central purpose heartbeat and jewel of the entire universe it is the power of god almighty it is the set of glasses we must wear to rightly understand all of god s word and all of god s world whether we acknowledge it or not jesus christ is the lord savior and treasure this gospel of jesus christ is god s grace for individuals and god s grace for all of creation john kuyper liberty explains from scripture that the gospel transforms how we understand and relate to god and his revelation upward theology how we understand and relate to ourselves and other christians inward theology and how we understand and relate to god s broader creation our communities our cultures and those who are not christians outward theology this monumental resource written for all people includes chapter titles like the good news of god s word gospel worship gospel joy the gospel and money the gospel centered home the gospel and work and gospel society jesus christ by his perfect life bloody cross resurrection in power and ascension into kingship is reconciling all things to himself

c s lewis famously penned the phrase god in the dock and proposed that there was a great divide between ancient and modern humans in that our ancestors would have rightly seen themselves in the dock before god while we moderns have placed god there before us but what if what god s love most desires for us the gospel or good news of the only way of life for humanity has been in the dock before us from the time of adam and eve and what if it is also the case that the gospel is often in the dock as though it is not good even for the church this book builds upon and expands the life and death stakes lewis proposed by demonstrating that the gospel way of faith itself has been placed in the dock by us and in many ways ruined our relationships with god with our own selves with one another and even with the natural world itself which we are meant to steward for its good in these pages the reader will discover why the gospel that requires faith is good

news but why we so tragically default to our divisive and self destructive ways

in this book through a distinctive evangelical and critical approach michael bird explores the historical development of the four canonical gospels he shows how the memories and faith of the earliest believers formed the gospel accounts of jesus that got written and in turn how these accounts further shaped the early church bird s study clarifies the often confusing debates over the origins of the canonical gospels bird navigates recent concerns and research as he builds an informed case for how the early christ followers wrote and spread the story of jesus the story by which they believed they were called to live the gospel of the lord is ideal for students or anyone who wants to know the story behind the four gospels watch an interview with michael bird from our eedmans author interview series

the gospel of the christ is a clear biblical reply to the question of what a person must believe about jesus christ to possess eternal life while christianity has historically maintained that faith in jesus christ is essential for everlasting life this raises the vital question what is the necessary content of this faith written against the backdrop of the controversy within free grace circles over the crossless gospel and the contents of saving faith thomas stegall goes well beyond a carefully documented analysis of his own movement the gospel of the christ provides a systematic exegetically based treatment of biblical teaching on the subject of the gospel and the meaning of the title the christ the end result is a comprehensive biblical and theological study of jesus christ s person and work in the contents of saving faith
