many people today know the name of Jesus but personally know little about him except for what they have heard in the media or by others. In his book *Discovering Jesus in the Gospels*, Ron Jones provides a way for them to read what the four gospels of the Bible specifically record about Jesus Christ. Each chapter explains an aspect of the life and claims of Christ by quoting passages directly from the gospels. All passages are referenced so the reader can look them up in the Bible. The passages are introduced by some brief commentary to help the reader understand them. This is meant to be a simple and straight forward presentation of the testimony of the four gospels to the true identity of Jesus.
