between 1838 and 1888 the recently formed zulu kingdom in southeastern africa was directly challenged by the incursion of boer pioneers aggressively seeking new lands on which to set up their independent republics by english speaking traders and hunters establishing their neighboring colony and by imperial britain intervening in zulu affairs to safeguard britain s position as the paramount power in southern africa as a result the zulu fought to resist boer invasion in 1838 and british invasion in 1879 the internal strains these wars caused to the fabric of zulu society resulted in civil wars in 1840 1856 and 1882 1884 and zululand itself was repeatedly partitioned between the boers and british in 1888 the old order in zululand attempted a final unsuccessful uprising against recently imposed british rule this tangled web of invasions civil wars and rebellion is complex the historical dictionary of the zulu wars unravels and elucidates zulu
