the world bank group was a principal founding partner of the global environment facility gef in its pilot phase in 1991 and of the restructured gef in 1994 the bank plays three different roles in the gef a as trustee of the gef and related trust funds b as implementing agency including the implementation of private sector gef projects by the international finance corporation ifc and c as the host organization of the functionally independent gef secretariat focusing primarily on the role of the bank as an implementing agency this review documents how the partnership that the gef and the world bank group established in the early 1990s has evolved over time offers explanations for observed changes and draws a number of lessons the review addresses the following issues the mutual relevance of the world bank group and the gef inter organizational coordination along the world bank group gef project cycle the introduction of the gef s resource allocation systems in 2006 and 2010 the evolution and effectiveness of the bank group s gef portfolio catalytic approaches in the bank group gef partnership co financing blending and mainstreaming the world bank s corporate activities as a gef implementing agency the principal purposes of this review are a to help improve the relevance and effectiveness of the bank group s partnership with the gef and b to draw lessons for the bank group s partnership with the gef and other large global partnership programs

the world bank group has responded to the global economic crisis with a strong countercyclical expansion of financing its

disbursements of 80 billion in the past two fiscal years were the largest among the multilateral development banks there was notable variation across the wbg with vastly increased ibrd lending moderately higher ida financing and overall responses from ifc and miga that were not counter cyclical the differences reflected the interplay of financial capacities business models and available instruments while the level of financial flows is one aspect of crisis response

david nichols tells the story of australian rock and pop music from 1960 to 1985 formative years in which the nation cast off its colonial cultural shackles and took on the world generously illustrated and scrupulously researched dig combines scholarly accuracy with populist flair nichols is an unfailingly witty and engaging guide surveying the fertile and varied landscape of australian popular music in seven broad historical chapters interspersed with shorter chapters on some of the more significant figures of each period the result is a compelling portrait of a music scene that evolves in dynamic interaction with those in the united states and the uk yet has always retained a strong sense of its own identity and continues to deliver new stars and cult heroes to a worldwide audience dig is a unique achievement the few general histories to date have been highlight reels heavy on illustration and short on detail and while there have been many excellent books on individual artists scenes and periods and a couple of first rate encyclopedias there s never been a book that told the whole story of the irresistible growth and sweep of a national music culture until now

to help you take full advantage of active directory this fourth edition of this bestselling book gives you a thorough grounding in microsoft s network directory service with active directory you ll learn how to design manage and maintain an ad infrastructure whether it s for a small business network or a multinational enterprise with thousands of resources
