written from an objective historical perspective a new history of christianity provides the best readable yet scholarly one volume account of christianity from its origins to the present day chapters cover christian beginnings the growth of the early christian communities the character of the medieval church popular religion the protestant reformation the catholic reformation the early modern church the church in the nineteenth century the church in war and peace and the crisis of the modern church

this book is a history of christianity from its earliest beginnings to the end of the twentieth century the book provides students with an introduction to the many persons places movements and events necessary for the telling of our story the story of the church this history of christianity is told in its essentials simply and straightforwardly for students with little or no experience in the academic study of religion it is a story told within the complex contexts of larger world events and world cultures but defined and simplified by attention to those developments which have proven most influential for the past and present shaping of church thought and practice the book is a comprehensive and definitive introduction to the history of christianity it provides students with the necessary outline and description of the broad sweep of movements and periods in this history but it also pauses at important points to provide details about the lives of christians as lived at various times and in various locations this story is told in easy to understand prose and with illustrative photographs maps and charts

the third edition of christianity through the centuries brings the reader up to date by discussing events and developments in the church into the 1990s this edition has been redesigned with new typography and greatly improved graphics to increase clarity accessibility and usefulness new chapters examine recent trends and developments expanding the last section from 2 chapters to 5 new photos over 100 photos in all more than twice the number in the previous edition single column format for greater readability and a contemporary look improved maps 21 and charts 39 building on the features that have made christianity through the centuries an indispensable text the author not only explains the development of doctrines movements and institutions but also gives attention to the impact of christianity on its times and to the mark of the times on christianity

charting the rise and development of christianity carter lindberg has succeeded in writing a concise and compelling history of the world's largest religion he spans over 2 000 years of colorful incident to give an authoritative history of christianity for

both the general reader and the beginning student ranges from the missionary journeys of the apostles to the tele evangelism of the twenty first century demonstrates how the christian community received and forged its identity from its development of the bible to the present day covers topics fundamental to understanding the course of western christianity including the growth of the papacy heresy and schism reformation and counter reformation includes an introduction to the historiography of christianity a note on the problems of periodization an appendix on theological terms and a useful bibliography an authoritative yet succinct history written to appeal to a general audience as well as students of the history of christianity written by internationally regarded theologian carter lindberg who is the author of numerous titles on theology and church history

first published in 1976 paul johnson s exceptional study of christianity has been loved and widely hailed for its intensive research writing and magnitude a tour de force one of the most ambitious surveys of the history of christianity ever attempted and perhaps the most radical new york review of books in a highly readable companion to books on faith and history the scholar and author johnson has illuminated the christian world and its fascinating history in a way that no other has johnson takes off in the year ad 49 with his namesake the apostle paul thus beginning an ambitious quest to paint the centuries since the founding of a little known jesus sect a history of christianity explores to a great degree the evolution of the western world with an unbiased and overall optimistic tone johnson traces the fantastic scope of the consequent sects of christianity and the people who followed them information drawn from extensive and varied sources from around the world makes this history as credible as it is reliable invaluable understanding of the framework of modern christianity and its trials and tribulations throughout history has never before been contained in such a captivating work

worshipped by 2 billion christians and revered by 1 3 billion muslims jesus christ is the most famous human being ever yet how did this man from an obscure backwater in the roman empire achieve such extraordinary acclaim how did religion founded in his name grow to become the most powerful on earth what has been its relationship through history with that other giant of religions islam in this fast paced and entertaining book journalist and historian stephen tomkins sets out to provide the answers beginning with the life of jesus he presents a warts and all portrait of the key people events and movements in christian history for every debauched pope murderous crusader and hate filled inquisitor there are glorious examples of heroic self sacrifice spiritual enlightenment and social transformation despite setbacks and conflict the church has continued to change and grow with the result that at the start of the 21st century its centre of gravity is moving south into sub saharan africa and south america the author ends by looking to the future for the story is far from over all those wanting to understand where christianity is going need to learn where it has come from and in this book they will find a lively and informative guide

this superb volume provides the first genuinely global one volume history of the rise and development of the christian faith an international team of specialists takes seriously the geographical diversity of the christian story discussing the impact of christianity not only in the west but also in latin america africa india the orient and australasia

christianity one of the world s great religions has had an incalculable impact on human history this book now the most comprehensive and up to date single volume work in english describes not only the main ideas and personalities of christian history its organisation and spirituality but how it has changed politics sex and human society diarmaid macculloch ranges from palestine in the first century to india in the third from damascus to china in the seventh century and from san francisco to korea in the twentieth he is one of the most widely travelled of christian historians and conveys a sense of place as arrestingly as he does the power of ideas he presents the development of christian history differently from any of his predecessors he shows how after a semblance of unity in its earliest centuries the christian church divided during the next 1400 years into three increasingly distanced parts of which the western church was by no means always the most important he observes that at the end of the first eight centuries of christian history baghdad might have seemed a more likely capital for worldwide christianity than rome this is the first truly global history of christianity

beginning with the birth of jesus and tracing the religion established by his followers up to the present day the faith is a comprehensive exploration of the history of christianity judiciously covering all the signal moments without bogging down in minutia author brian moynahan s superbly written and generously illustrated book is of central importance to christians historians and anyone interested in a faith that shaped the modern world moynahan s research uses little known sources to tell a magnificent story encompassing everything from the early tremulous years after jesus death to the horrors of persecution by nero from the growth of monasteries to the bloody crusades from the building of the great cathedrals to the cataclysm of the reformation and the catholic counter reformation from the flight of pilgrims from europe in pursuit of religious freedom to the salem witch trials from the advent of a traveling pope to the rise of televangelists coming just in time for jubilee 2000 this ambitious book reveals and commemorates the significance of the christian faith

the essential history of christianity covers both the key historical events and the big picture miranda threlfall holmes helps us to understand what has gone on in the past and sheds light on our present experiences of churches religion spirituality and religious conflict she also gives important clues about what might happen in the future this entertaining and accessible guide makes sense of a fascinating subject providing a clear overview of the broad sweep of christian history and is indispensable for

those beginning to study christianity or the church

tim dowley's masterful one volume survey of church history is now available in a new concise format designed with today's student in mind each section of dowley's introduction to the history of christianity has been reviewed and content edited to create a more compact summary of christian history this new shorter introduction retains the full color format of the popular full edition including the third edition's new images and maps dowley has assembled a global cast of respected scholars to write the full story of the rise of the christian faith and to provide a rounded picture of the worldwide development of christianity the volume has been praised as accurate scholarly and balanced its writers are committed to christianity but also to the unhindered pursuit of truth that does not avoid the darker aspects of the varied story of christianity the accessible text is supported by detailed timelines maps profiles of key figures in christianity colorful images and a complete glossary each section includes questions for discussion

dr marty has chosen a principle of selectivity which the historic christian church would approve the ideal of the church as expressed in its ancient ecumenical creed is that it be one holy catholic and apostolic the history of the christian church can therefore be interpreted as its efforts to achieve unity sanctity universality and authentic witness history however testifies to the tension and imbalance the anguish and stress which have beset christendom as one or the other of its ideal attributes have been submerged and recovered overwhelmed and reappropriated with this guiding criterion in mind dr marty accomplishes a brilliant instructive and eminently fair statement of the history of christianity from its founding to the present day publisher

a beautifully crafted and clearly written introduction to christianity over its 2000 year history

in the introduction a previous publisher states we believe this work to be the most complete honest and best documented work available on this subject we present this work hoping that the facts presented will be more highly esteemed than common dogma and tradition the author devoted years of intense and reliable study in the library of congress with the help of insiders to create this work considered one of the most important and accurate books on christianity ever written covers the origin and history of christian doctrines lost gospels a list of those gospels that were destroyed and information on irenaeus clement of alexandria and turtullian presents carefully researched facts that often oppose traditional beliefs

amanda porterfield offers a survey of ideas rituals and experiences of healing in christian history jesus himself performed many miracles of healing and christians down the ages have seen this as a prominent feature of their faith indeed healing is one of the most constant themes in the long and sprawling history of christianity changes in healing beliefs and practices offer a window into changes in religious authority church structure and ideas about sanctity history resurrection and the kingdom of god porterfield chronicles these changes at the same time shedding important new light on the universality of religious healing finally she looks at recent scientific findings about religion's biological effects and considers the relation of these findings to ages old traditions about belief and healing
