there is little doubt that the common core state standards ccss are a controversial entity they are provocative for the way in which they have been developed for the ways they are being implemented and evaluated for their content and for their failure to explicitly consider the needs interests and histories of diverse populations while the ccss continue to be problematized by critics around the country including the editors of this volume it is evident our nation is moving toward

some would argue we have arrived at a national set of standards and or a national curriculum this text will be an important volume for multiple audiences in large part because it will bring together critical perspectives on the ccss and the notion of national standards curricula it will simultaneously provide a social justice orientation as a way to interpret the ccss and respond to their limits while presenting practical examples of social justice oriented ccss focused curricula that empower diverse learners and their teachers social justice the common core and closing the instructional gap will consist of chapters by classroom teachers and university scholars who portray honest engaging first person accounts of their successes and challenges connecting a social justice pedagogical orientation to the common core state standards these authors candidly and passionately share the challenges of navigating between a social justice curriculum and high stakes standards and test driven environments they highlight their accomplishments that include effectively supporting students to consider social injustices and devise plans to work toward a more equitable world

this edited volume supports implementation of a critical literacy of popular culture for new times it explores popular and media texts that are meaningful to youth and their lives it questions how these texts position youth as literate social practitioners based on theories of critical and new literacies that encourage questioning of social norms the chapters challenge an audience of teachers teacher educators and literacy focused scholars in higher education to creatively integrate popular and media texts into their curriculum focal texts include science fiction dystopian and other youth central novels picture books that disrupt traditional narratives graphic novels video games other arts based texts film novel hybrids and even the lives of youth readers themselves as texts that offer rich possibilities for transformative literacy syllabi and concrete examples of classroom practices have been included by each chapter author

seminar paper from the year 2015 in the subject american studies literature university of graz amerikanistik course literary studies proseminar american young adult fiction from 1950 to today language english abstract this paper is concerned with one of the most preeminent motifs in suzanne collins the hunger games trilogy it poses the question why the use of mass media plays such a dominant role throughout all three novels the aim of this thesis is to demonstrate that mass media functions as a powerful tool to control manipulate and ultimately free the population of the fictional state panem it will show that mass media is one of the most essential components of the novels that drives the story development and significantly contributes to the storyline s arc of suspense also it will examine the reoccurring symbol of the mockingjay and how the main character katniss everdeen becomes the figurehead of the revolution in this paper i am going to prove that this is also a consequence of mass media which will support my thesis that mass media

is the central element of the hunger games the hunger games introduces the reader to the fictional state panem that emerged after a disastrous third world war in which the majority of the earth's population got killed the remaining survivors founded the state of panem panem consists of the wealthy capitol and twelve poorer districts ruled by the capitol the capitol is lavishly rich and technologically advanced but the twelve districts are in varying states of poverty the reader follows the story of sixteen year old katniss everdeen from district 12 in order to prevent a rebellion against the capitol the tyrant president snow annually hosts the so called hunger games an arena fight of life and death in which every year one boy and one girl between the ages of 12 and 18 of each district must participate after taking her little sister's place in the 74th hunger games katniss involuntarily gets in between the ongoing fight for power between president snow and the rebellious district 13 after winning the 74th hunger games katniss becomes a symbol of hope for the oppressed districts and a key figure for the following revolution and the war against snow and the capitol

the greatly anticipated final book in the new york times bestselling hunger games trilogy by suzanne collins the greatly anticipated final book in the new york times bestselling hunger games trilogy by suzanne collins the capitol is angry the capitol wants revenge who do they think should pay for the unrest katniss everdeen the final book in the hunger games trilogy by suzanne collins will have hearts racing pages turning and everyone talking about one of the biggest and most talked about books and authors in recent publishing history

katniss everdeen has survived the hunger games twice but she's still not safe a revolution is unfolding and everyone it seems has had a hand in the carefully laid plans everyone except katniss and yet she must play the most vital part in the final battle katniss must become their mockingjay the symbol of rebellion no matter what the personal cost publisher
