this volume provides a fascinating account of the natural forces which shaped the island's landscape from its formation some 500 million years ago to the present nature of the manx environment and landscape the story of the island's colonisation by plants and animals sets the scene for the later volumes which deal with the impact of man's arrival a key element of the volume is an in depth examination of the contemporary landscape with an appraisal of how the environment has affected man and how man has affected

the environment

this is a comprehensive guide to the buildings of the isle of wight the beguiling architecture of the many towns villages and resorts is explored in full as are the charming villas and cottages ornes dotted around the spectacular coasts but the island also boasts architecture on the grandest scale the powerful fortress of carisbrooke castle with its evocative saxon foundations the rich and enigmatic baroque mansion of appuldurcombe osborne house the domestic paradise of victoria and albert with its formal gardens and the extraordinary quarr abbey a masterpiece of expressionist brick by the french monk and architect dom paul bellot other attractions include roman villas sturdy manor houses powerful coastal defences built for henry viii and reinforced under queen victoria and the retreats of tennyson and other victorian notables not to mention a well established tradition of innovative modern design each town or village is treated in a detailed gazetteer a general introduction provides a historical and artistic overview numerous text illustrations maps and plans nearly a hundred new colour photographs full indexes and an illustrated glossary help to make this book invaluable as both reference work and guide

a new history of the isle of man will provide a new benchmark for the study of the island s history in five volumes it will survey all aspects of the history of the isle of man from the evolution of the natural landscape through prehistory to modern times the modern period is the first volume to be published wide in coverage embracing political constitutional economic labor social and cultural developments in the nineteenth and twentieth centuries the volume is particularly concerned with issues of image identity and representation from a variety of angles and perspectives contributors explore the ways in which a sense of manxness was constructed contested continued and amended as the little manx nation underwent unprecedented change from debtors retreat through holiday playground to offshore international financial center
