You likely bought this book due to an unspoken pattern of relationships you have in your daily life. You're exhausted of repeating and you want it to end. Perhaps you've attempted to change something to break the cycle. Perhaps you've tried methods of bandaging. Perhaps you've even been in therapy, but the old patterns continue to show daily. It's not working. Have you ever thought about these questions: Why am I repeating the same errors throughout my life? How can I be so surrounded by negative people? Does it feel like I've got a hole in my body that isn't going out? Why will I surrender my power and let others decide my character? Why aren't my feelings important? Why can I keep people, even the good ones, away? Why am I unable to allow them to enter? Why do I insult others verbally and then swear that I will not repeat it? What is the reason it is so hard to love? Am I even loveable? What is it that makes me feel so angry and hurt? Why must I do all this to benefit others but do nothing for me? Why am I able to self-sabotage? What makes me think that I'm a loser and unworthy? We've had to ask ourselves these kinds of questions at some point or other. Many people attempt to answer these questions independently or seek out their friends or family to help them figure out what's wrong. It is common for people to get numerous unhelpful comments from people and then become less clear than they have ever been. People are likelier to share what they do just like getting advice from bumper stickers.

In this powerful book, the 1 New York Times bestselling author of *Reclaiming Virtue* shows how we can learn to nurture our inner child and offer ourselves the good parenting we needed and longed for. Are you outwardly successful but inwardly feel like a big kid? Do you aspire to be a loving parent but too often lose it in hurtful ways? Do you crave intimacy but sometimes wonder if it's worth the struggle? Are you plagued by constant vague feelings of anxiety or depression? If any of this sounds familiar, you may be experiencing the hidden but damaging effects of a painful childhood. Carrying within you a wounded inner child who is crying out for attention and healing, John Bradshaw's step-by-step process of exploring the unfinished business of each developmental stage helps us break away from destructive family rules and roles, freeing ourselves to live responsibly in the present. Then says Bradshaw, the healed inner child

becomes a source of vitality inviting us to find new joy and energy in living homecoming includes a wealth of unique case histories and interactive techniques including questionnaires guided meditations affirmations and letter writing to the inner child these classic therapies which were pioneering when introduced continue to be validated by new discoveries in attachment research and neuroscience no one has ever brought them to a popular audience more effectively and inspiringly than John Bradshaw
