the jack roller tells the story of stanley a pseudonym clifford shaw gave to his informant and co author michael peter majer stanley was sixteen years old when shaw met him in 1923 and had recently been released from the illinois state reformatory at pontiac after serving a one year sentence for burglary and jack rolling mugging vivid authentic this is the autobiography of a delinquent his experiences influences attitudes and values the jack roller helped to establish the life history or own story as an important instrument of sociological research the book remains as relevant today to the study and treatment of juvenile delinquency and

maladjustment as it was when originally published in 1930

this book presents the case study of the career of a young male delinquent stanley the case is one of a series of two hundred similar studies of repeated male offenders under seventeen years of age all of whom were on parole from correctional institutions when the studies were made the author s contact with stanley extended over a period of six years the initial contact having been made when stanley was sixteen years of age during this period it was possible to make a rather intensive study of his behaviour and social background and to carry out a somewhat intensive program of social treatment the case is published to illustrate the value of the case study in the study and treatment of the delinquent child as a preparation for the interpretation of stanley s life history which comprises the major portion of this book a brief description of the more general uses of case study material along with illustrations from a number of different cases is presented first

this book analyzes newly collected data on crime and social development up to age 70 for 500 men who were remanded to reform school in the 1940s born in boston in the late 1920s and early 1930s these men were the subjects of the classic study unraveling juvenile delinquency by sheldon and eleanor glueck 1950 updating their lives at the close of the twentieth century and connecting their adult experiences to childhood this book is arguably the longest longitudinal study of age crime and the life course to date john laub and robert sampson s long term data combined with in depth interviews defy the conventional wisdom that links individual traits such as poor verbal skills limited self control and difficult temperament to long term trajectories of offending the authors reject the idea of categorizing offenders to reveal etiologies of offending rather they connect variability in behavior to social context they find that men who desisted from crime were rooted in structural routines and had strong social ties to family and community by uniting life history narratives with rigorous data analysis the authors shed new light on long term trajectories of crime and current policies of crime control table of contents acknowledgments 1 diverging pathways of troubled boys 2 persistence or desistance 3 explaining the life course of crime 4 finding the men 5 long term trajectories of crime 6 why some offenders stop 7 why some offenders persist 8 zigzag criminal careers 9 modeling change in crime 10 rethinking lives in and out of crime notes references index the accounts of individuals are quite riveting and the book can be recommended strongly purely for the stories provided about diverse lives however the book is much much more than that in terms of the serious challenge that the authors findings and ideas present to some of the leading contemporary theories of both crime and development a highly original and scholarly contribution of the highest quality sir michael rutter institute of psychiatry king s college london ttitleshared beginnings divergent lives is an extraordinary work which shows the deep insights gained by studying the whole life course beginning in childhood and ending in later life with access to a rare data archive the authors provide compelling evidence on the remarkably varied adult lives of teenage delinquents who grew up in low income areas of boston born 1925 1935 the story behind these varied life paths and their consequences inspires fresh thinking about crime over the life course through models of life trajectories and vivid narratives that reveal the complexity of lives glen h elder jr university of north carolina at chapel hill this book redraws the landscape of developmental criminology that laub and sampson already have done so much to define setting new standards and benchmarks along the way the authors both

provide new evidence for earlier conclusions and challenge prevailing assumptions and assertions thereby reshaping the criminological research agenda for years to come john hagan northwestern university
