part primer on rené girard s groundbreaking mimetic theory part bible study through the lens
of mimetic theory and part dialogue with early and contemporary quakers turning toward the
victim demonstrates how these three perspectives can mutually inform one another in
unexpected ways contemporary liberal friends quakers have largely drifted away from the bible
due in part to its seeming sanction of divine violence girard by contrast sees the themes of
sacred violence and its overcoming as central to the biblical witness and so can provide the
means by which quakers and others might reengage with the scriptures girard s claim that the
biblical god has nothing to do with violence will resonate with friends traditional commitment
to nonviolence and peacemaking girard s insights into the scapegoat mechanism can also help
us to understand the witness of early friends who functioned as the scapegoat caste in
seventeenth century england using the traditional quaker framework of conviction convincement
and conversion thomas gates explores the relevance of these concepts for friends and other
christians today

apparitions are real the evidence for their objective nature is immense and they are frequently not the transparent non physical manifestations depicted by hollywood and popular culture moreover some apparitions demonstrate blatantly physical characteristics to the point that they may be initially mistaken for real people seeing the messiah takes readers on a tour of case studies from eight well evidenced categories of apparitions that occur in nature these categories include visions of the bereaved those that linger in haunted houses figures that materialize during seances and apparitions that represent religious icons such as the blessed virgin mary what exactly are apparitions visitations from the supernatural realm dramas created through telepathy dr kendall speculates on how these strange intrusions into our reality might best be interpreted and the implications this has for the nature of reality itself having established the characteristics of this phenomenon dr kendall examines claims that menachem mendel schneerson i e the lubavitcher rebbe was raised from the dead with special scrutiny of the post mortem encounters of the rebbe to his followers he then evaluates the historical data used to support jesus resurrection in light of the same apparitional data do those who see the messiah merely experience apparitions

fr martin mcalinden s research focussed on the spiritual malaise experienced by many priests in the catholic church in ireland in response he developed a theology rooted in the ancient notion of acedia and used this as a way of talking about the spiritual crises many priests experience and how this spiritual malaise might be transformed
