Since the Garden of Eden a choice between true and false wisdom has confronted human beings and the need for discernment is consistent throughout scripture. This volume engages with the canny decisions of the Hebrew midwives the moral chaos of the Judges era dilemmas in the monarchy and prophetic responses to the turmoil of the threat of empires along with themes from Psalms, Job and Proverbs. Wise preaching and teaching are enriched by insights from Tanzania, Myanmar and Central Asia and wisdom in daily life is found in biblical practices and is centered on Christ. Colleagues and students honor Lindsay Wilson whose wisdom interests extend across the canon. This work is valuable for students and teachers of Old Testament and for anyone seeking to become wise.

They also include analysis of translation problems that may occur and they provide suggestions for dealing with such problems. Some translators however prefer material in a more condensed form and from which they can easily retrieve information. These guides do not take away from translators the responsibility to make their own decisions but they do attempt to give them practical information and to alert them to pitfalls they may otherwise overlook. It is hoped that such information will enable a translator to prepare a translation that is faithful to the meaning of the original and that is presented in a style which is appropriate and effective in communicating the message to the reader.

In God's grace and righteousness in wisdom of Solomon and Paul's letter to the Romans Jonathan A. Linebaugh places the wisdom of Solomon and the letter to the Romans in conversation. Both texts discuss the relationship of Jew and Gentile the meaning of God's grace and righteousness and offer readings of Israel's scripture. These shared themes provide talking points initiating a dialogue on anthropology, soteriology and hermeneutics by listening in on this conversation. Linebaugh demonstrates that while these texts have much in common the theologies they articulate are ultimately incommensurable because they think from different events wisdom from the pre-creational order crafted by Sophia and exemplified in the Exodus Paul from the incongruous gift of Christ which justifies the ungodly.

The extraordinary will come through the regular practice of the ordinary. This holds true for so many things in life including the work of gospel ministry. The world will know the risen and exalted Lord when his people commit anew to the seemingly ordinary work of making peace. This devotional is an extended reflection on Paul's letter to Philemon. Readers will be both moved and instructed in their call to serve as God's peacemakers. There is perhaps no greater need today among those who profess Christ as Lord and Savior than a renewed commitment to facilitate reconciliation in our divided world.
