britain kept meticulous records of its casualties in southern nigeria but it did not collect and keep any coherent records of the casualties it inflicted on the so called natives britain s failure to collect and keep natives casualty statistics was not an unconscious omission instead it was a deliberate policy because it placed considerably less value on the lives of natives compared to european lives it held that a drop of european blood was worth four times more than natives blood the death of a

district officer on active duty was worth the lives of up to two hundred natives and it took twenty natives to service a political officer on the field additionally it accepted the arguments of its top commander colonel arthur montanaro that natives were engaged in illegal resistance to his majesty s government therefore while he had a duty to crush their resistance to the british government he was not duty bound to account for their deaths accordingly the book explores these untold aspects of british history particularly the computation of the number of indigenous people of the landmass which became southern nigeria who were killed between 1900 and 1930 during one of the bloodiest periods in the history of southern nigeria as british troops of the west african frontier force waff and the west african service brigade wasb rampaged through southern nigeria in its explorations the book posed and addressed the following questions how many indigenous people of southern nigeria were killed by the british army between 1900 and 1930 what were the names of the people who were killed were there women and children among the dead how old were they when they died where were they buried who buried them there what were the prevailing political circumstances when they were killed under what military circumstances were they killed was there a state of war between the indigenous people of southern nigeria and britain when they were killed the book s sources were unpublished original archival documents at the national archives these document sources included ordinances proclamations admiralty s and crown agents papers high commissioners governor general s and lieutenant governor s correspondences and despatches the correspondences and despatches included field reports compiled by british army officers field commanders british police commissioners political officers district officers do district commissioners divisional officers divisional commissioners and provincial commissioners these sources are kept in the following colonial office documents series southern nigeria co520 series and nigeria co583 series

29 murders is based on a factual murder investigation of 29 murders of the famous missing and murdered children case in atlanta that took place from 1979 to 1981 convicted and sentenced to life in a georgia state prison was wayne williams for only two of the twenty nine murders a conviction that left many people around the country asking if he only killed 2 who then killed the other 27 however along came an anonymous letter that was written to police chief barry mason describing its writer as being the real killer after thirty years of complete silence this letter sparked a new investigation into a thirty year old case for fear the real killer had re emerged in charge of the investigation was lieutenant seville patterson who later convinced her retired police husband john sinclair to work with her on the case because she feared that she could not trust anyone in the department john on the other hand agreed to work with her because he believed that this was a very dangerous case and it could get her killed if he did not work with her and even with him on the case both their lives were in danger as a team they set out to solve a case that was believed to be an impossible case to solve and that belief was justified because the two cops found themselves in a direct line of fire of a conspiracy that was reaching all the way to washington dc as well in the headquarters of

the cia and they also found trouble in their own back yard when they discovered that nine of the ten original police investigators on the case thirty years ago had all mysteriously met their demise except one
