what happens when the written words of biblical scripture are transformed into experiential choreographed environments to answer this question anthropologist james bielo explores a diverse range of practices and places that materialize the bible including gardens theme parks shrines museums memorials exhibitions theatrical productions and other forms of replication integrating ethnographic archival and mass media data case studies focus primarily on u.s. christianity from the late 19th century to the present composed as 20 short chapters that may be read in any order the book is divided into three sections section i variations on replication analyzes examples that recontextualize elements from the actual or imagined biblical past section ii the power of nature turns to the natural world associated with christian scripture and how it is mobilized as a privileged media section iii choreographing experience examines lived interactions with the affordances of materializing the bible bielo argues that materializing the bible works as an authorizing practice to intensify intimacies with scripture and circulate potent ideologies performed through the sensory experience of bodies physical technologies and infrastructures of place bielo illustrates how this phenomenon is always ultimately about expressions of power

mixing metaphors in speech writing and even gesture is traditionally viewed as a sign of inconsistency in thought and language despite the prominence of mixed metaphors there have been surprisingly few attempts to comprehensively explain why people mix their metaphors so frequently and in the particular ways they do this volume brings together a

distinguished group of linguists psychologists and computer scientists who tackle the issue of how and why mixed metaphors arise and what communicative purposes they may serve these scholars almost unanimously argue that mixing metaphors is a natural consequence of common metaphorical thought processes highlighting important complexities of the metaphorical mind mixing metaphor for the first time offers new critical empirical and theoretical insights on a topic that has long been ignored within interdisciplinary metaphor studies
