this book addresses the eclipse of shame in christian theology by showing how shame emerges in christian texts and practice in ways that can be neither assimilated into a discourses of guilt nor dissociated from embodiment stephanie n arel argues that the traditional focus on guilt obscures shame by perpetuating the image of the lonely sinner in guilt drawing on recent studies in affect and attachment theories to frame the theological analysis the text examines the theological anthropological writings of augustine and reinhold niebuhr the interpretation of empathy by edith stein and moments of touch in christian praxis bringing the affective dynamics of shame to the forefront enables theologians and religious leaders to identify where shame emerges in language and human behavior the text expands work in trauma theory providing a multi layered theological lens for engaging shame and accompanying suffering

what is the relationship between the command to love one's enemies and the use of violence and or other coercive political means this work examines this question by comparing and contrasting two important contemporary approaches to christian ethics neoaugustinian and the ecclesial or neoanabaptist it traces the complicated conversation that has taken place since john howard yoder took on reinhold niebuhr's interpretation of the anabaptists in the 1940's it consists of three parts the first part traces the development of the augustinian niebuhrian approach to ethics from niebuhr through those who have advanced his work including paul ramsey timothy jackson charles matthewes eric gregory and jennifer herdt it also examines the augustinian ethics of oliver o donovan john milbank and nicholas wolterstorff along with tracing the augustinian approach and its trajectories through agapism theology and the interpretation of augustine it identifies fifteen criticisms that this approach brings against the neoanabaptists the second part traces the origin of the ecclesial or neoanabaptist approach and then examines its relationship to and criticism of agapism what theological doctrines are central and its interpretation of augustine its purpose is primarily constructive by explaining the role that ecclesiology christology and eschatology have among the neoanabaptists the third part addresses the criticisms levied by augustinians against the neoanabaptists by drawing on the constructive theology in the second part it intends to show where the augustinian critics are correct where they have missed key theological teachings and where they misrepresent it also assesses the summons to the nationalist project the augustinians put to the neoanabaptists if this work is successful this third part will not be defensive it will instead illumine the reasons for the criticisms and suggest means by which the conversation that began between yoder and niebuhr can continue and possibly bear fruit for theological ethics in both its ecclesial and nationalist projects for generations to come

in the years following world war ii american protestantism experienced tremendous growth but conventional wisdom holds that midcentury protestants practiced an optimistic progressive complacent and materialist faith in original sin and everyday protestants historian andrew finstuen argues against this prevailing view showing that theological issues in general and the ancient christian doctrine of original sin in particular became newly important to both the culture at large and to a generation of american protestants during a postwar age of anxiety as the cold war took root finstuen focuses on three giants of protestant thought billy graham reinhold niebuhr and paul tillich men who were among the era's best known public figures he argues that each thinker's strong commitment to

the doctrine of original sin was a powerful element of the broad public influence that they enjoyed drawing on extensive correspondence from everyday protestants the book captures the voices of the people in the pews revealing that the ordinary rank and file protestants were indeed thinking about christian doctrine and especially about good and evil in human nature finstuen concludes that the theological concerns of ordinary american christians were generally more complicated and serious than is commonly assumed correcting the view that postwar american culture was becoming more and more secular from the late 1940s through the 1950s
