originally published in 1971 this book is an account of the development of the nigerian army in the critical ten years spanning independence it describes the transformation of a despised colonial defence force into a nigerian army with a popularly recognized reputation on the eve of the first military coup the army stood at the pinnacle of popular esteem it had been modernized and expanded had served with distinction in the congo and elsewhere and all its officers were nigerian the first half of the book traces the stages of this transformation and reveals the difficulties which had to be overcome the second part examines the increasing tension and political manoeuvring which exploded into the military coups of 1966

under the fourth republic since 1999 the challenge nigerian leaders face like never before is how to create a state that matches the expectations of their diverse peoples at home and abroad taking this proposition as starting point this book advances proposals for a human right policy referred to alternately in the work as principled foreign policy for nigeria under the fourth republic taking advantage of the inestimable opportunity afforded by general muhammadu buhari s departure from the political scene on may 29 2023 after the famine domestically and externally wrought by his two terms of office as president it is a broad ranging argument draped in the less arcane constitutional vocabulary and material of human rights for thoroughgoing reforms at home and abroad as the only antidote to the nation building dilemmas nigeria confronts in the first quarter of the twenty first century buhari s departure marks the end of military teleguidance of nigerian politics under the fourth republic in the camouflage of democratic rule a birthmark of remote control dating back to the first military intervention in the country in january 1966 these momentous events within nigeria coincide with equally epoch making developments in the uk nigeria s former colonial overlord with ripple effects in nigeria signified by the death of queen

elizabeth ii after seven decades on the throne and the emergence of prince charles as king of england a new monarch in britain adds to the opportunity that falls open for the reconfiguration of nigeria s external relations with ramifications for the application of human rights in those relations despite its known disabilities nigeria has the potential infrastructure including its sizable population to conduct a human right policy if its leaders rationalize the country s resources more wisely

this book is a broad ranging argument for thorough reforms at home and abroad in nigeria as the only antidote to the nation building dilemmas nigeria confronts in the first quarter of the twenty first century because of its enormous material and human endowments nigeria is dubbed the giant of africa it is a moniker many of its leaders take seriously yet nigeria is a state rife with instability some of it periodically erupting into violence given still ongoing national security challenges in the land that notoriously includes a bloody religion oriented terrorism the fourth republic since 1999 the longest period of continuous democratic rule since independence key to the timeline of this book has not been insulated from the spell of instability the main argument of this work is that internationally agreed upon ethical standards embedded in human rights can save nigeria this book is a methodologically and theoretically grounded seminal discourse on nigerian foreign relations that spells out the human rights or lack thereof in those relations including underlying and impinging domestic forces this work is set around six issues of application embedded in a temple of nigeria s human rights foreign policy comprising two steps and four pillars reconstructed national interest increased human rights at home redesigned peacekeeping reshaped foreign policy machinery increased bilateralism in foreign relations and the use of ecowas as human rights tool although focused on the period since independence for proper understanding of events from the past that shape the current patterns of politics in the land this book also embodies a historical background chapter that overviews the pre colonial and colonial eras

do modern western ideas about the nature of conflict and its resolution apply to africa to answer this question adda bozeman examines conflict in africa south of the sahara in its many social

political and cultural aspects past and present the author shows how african perspectives on war and diplomacy have evolved under the influence of nonliteracy tribalism and a concept of undifferentiated time in addition she confirms that indigenous cultural traditions are resurgent everywhere making it unlikely that african political values will become more closely aligned with those of the west the two civilizations view conflict differently and have different ways of resolving it the africans are more at ease with conflict than their western counterparts and they do not see war and peace as the mutually exclusive phenomena that occidental societies hold them to be the author concludes that modern western concepts of conflict not only do not but cannot allow for african realities originally published in 1976 the princeton legacy library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of princeton university press these editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions the goal of the princeton legacy library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by princeton university press since its founding in 1905
