a katherine grieb insightfully traces the argument of paul s letter to the romans and shows how it is grounded in the story of god s faithfulness to israel she draws together a number of crucial insights the narrative character of paul s thought the apocalyptic message of his gospel the depth of his engagement with israel s scripture and the practical and political impact of his theology she demonstrates the letter s relevance today and invites contemporary readers to locate their own stories within paul s account of god s righteousness informed by recent pauline scholarship this book will be useful to scholars students and pastors

about the purpose of romans romans the book of romans is the most systematic study in the life of a christian starting with our sin and need for a savior it takes us through salvation

sanctification and spiritual growth it takes you through the book of romans examining each subject as it appears each chapter is short and can be read as a daily devotional or the whole book can be easily read in a single short sitting it is the sincere hope of the author that the readers will be able to glean something of value to help them along their way in the christian walk is written to fulfill paul s mandate to establish and nurture his roman readers in a life of faith marked by obedience and holiness to preach the gospel to them

in this now classic commentary first published in 1988 in the pillar new testament commentary series noted biblical scholar leon morris unravels romans and the complexities of faith and interpretation associated with the epistle in his introduction morris deals with matters of authorship destination date occasion and contents in a brief but helpful way the commentary proper consists of careful verse by verse exposition of the text along with full and informative footnotes though he interacts considerably with the immense body of literature on romans morris s approach to the study of the epistle remains clearly his own his thorough exegesis enables readers to understand romans as one of the greatest and most spiritually significant books in the bible

originally published collegeville minn liturgical press c1996

although roman centurions appear at crucial stages in the gospel of luke and the acts of the apostles the significance of the centurion s office for the development of luke s story has not been adequately researched to fill in that void this study engages the relevant greco roman and jewish sources that reflect on the image of the roman military and applies the findings to the analysis of the role of the roman centurion in the narrative of luke acts it argues that contemporary evidence reveals a common perception of the roman centurion as a principal representative of the roman imperial power and that luke acts employs centurions in the role of prototypical gentile believers in anticipation of the christian mission to the empire chapter 1 outlines the current state of the question chapter 2 surveys the background data including the place of the centurion in the roman military organization the role of the roman army as the basis of the ruling power the army s function in the life of the civilian community luke s military terminology and the roman military regiments in luke acts chapter 3 reviews greco roman writings including polybius julius caesar sallust livy velleius paterculus tacitus appian cornelius nepos plutarch suetonius plautus cicero virgil horace petronius quintilian epictetus juvenal fronto apuleius as well as non literary evidence chapter 4 engages the jewish witnesses including 1 maccabees the dead sea scrolls jewish pseudepigrapha philo josephus talmudic sources and non literary sources chapter 5 examines the relevant accounts of luke acts focusing on luke 7 1 10 and acts 10 1 11 18 the conclusion reviews the findings of the study and summarizes the results

the romans an introduction 3rd edition engages students in the study of ancient rome by exploring specific historical events and examining the evidence this focus enables students not only to learn history and culture but also to understand how we recreate this picture of roman life the thematic threads of individuals and events political social legal military conflicts are considered and reconsidered in each chapter providing continuity and illustrating how

political social and legal norms change over time this new edition contains extensive updated and revised material designed to evoke the themes and debates which resonate in both the ancient and modern worlds class struggles imperialism constitutional power checks balances the role of the family slavery urbanisation and religious tolerance robust case studies with modern parallels push students to interpret and analyze historical events and serve as jumping off points for multifaceted discussion new features include increased emphasis on developing skills in interpretation and analysis which can be used across all disciplines expanded historical coverage of republican history and the legacy of rome an expanded introduction to the ancient source materials as well as a more focused and analytical approach to the evidence which are designed to engage the reader further in his her interaction and interpretation of the material a dedicated focus on specific events in history that are revisited throughout the book that fosters a richer more in depth understanding of key events new maps and a greater variety of illustrations have been added as well as updated reading lists a further appendix on roman nomenclature and brief descriptions of roman authors has also been provided the book s successful website has been updated with additional resources and images including on site videos from ancient sites and case studies which provide closer tutorial style treatment of specific topics and types of evidence those with an interest in classical language and literature ancient history roman art political and economic systems or the concept of civilization as a whole will gain a greater understanding of both the romans and the model of a civilization that has shaped so many cultures

reprint of the original first published in 1867

this landmark book shows how much victorian and edwardian roman archaeologists were influenced by their own experience of empire in their interpretation of archaeological evidence this distortion of the facts became accepted truth and its legacy is still felt in archaeology today while tracing the development of these ideas the author also gives the reader a thorough grounding in the history of roman archaeology itself

a thematic introduction to roman political thought that shows the romans enduring contribution to key political ideas

with a scholar s mind and a pastor s heart tom wright walks you through romans in this guide designed especially with everyday readers in mind perfect for group use or daily personal reflection this study uses the popular inductive method combined with wright s thoughtful insights to bring contemporary application of scripture to life
