the title story like most of the other pieces is character centered as a single mother wrestles with high tech taking over her town patent infringement is a fine if brief epistolary story on the subject the most famous little girl in the world is the story of the lifelong friendship of two women set against a background of alien contact first flight is an affectionate homage to the classic tom corbett space cadet tv show of the 1950s to cuddle amy is a powerful short short horror story about disposable children my mother dancing deals with a human race called on to seed with life a completely barren universe

in the rich man s world by carol marinelli reporter amelia jacobs has got a scoop with

vaughan mason she'll spend a week in this rich man's world but vaughan's skill at seducing women is legendary in sydney's newspaper gossip columns and amelia's determined not to spend the week in this rich man's bed the tycoon's hidden heir by yvonne lindsay mason knight believed helena davies to be a gold digger the ravishing beauty had spent one unforgettable night in his arms only to marry a much older man the next morning but twelve years later the newly widowed helena was on his doorstep claiming her son was really mason's and she'd do anything to secure his inheritance her man of honour by melanie milburne dr amy tanner has come to marraburra to give her patients the best possible care and also to uncover the truth behind her cousin's disappearance gorgeous sheriff angus ford is impressed with the new doctor's feisty courage and unquestionable skill not to mention her stunning looks but when amy finds out the truth about her cousin sheriff ford is determined to protect her at her boss's bidding by miranda lee justin mccarthy is a magnet for every man hunter in sydney they picture themselves spending his millions and cuddling up to him at night rachel is justin's idea of the perfect assistant that is until he pays for a complete makeover one that unlocks the beauty within where he was once happy to have rachel safely behind her desk now justin wants her across his wild and willing marriage material by ally blake lawyer romy bridgeport is used to demanding clients but millionaire sebastian fox takes demanding to another level all he's ever wanted is a happy marriage and kids so he's asked romy to turn him into marriage material does such a project require all romy's legal training or no but when her work is done romy can think of only one suitable wife herself

who decides which facts are true in 1998 andrew wakefield a british gastroenterologist with a history of self promotion published a paper with a shocking allegation the measles mumps rubella vaccine might cause autism the media seized hold of the story and in the process helped to launch one of the most devastating health scares ever in the years to come wakefield would be revealed as a profiteer in league with class action lawyers and he would eventually lose his medical license meanwhile one study after another failed to find any link between childhood vaccines and autism yet the myth that vaccines somehow cause developmental disorders lives on despite the lack of corroborating evidence it has been popularized by media personalities such as oprah winfrey and jenny mccarthy and legitimized by journalists who claim that they are just being fair to both sides of an issue about which there is little debate meanwhile millions of dollars have been diverted from potential breakthroughs in autism research families have spent their

savings on ineffective miracle cures and declining vaccination rates have led to outbreaks of deadly illnesses like hib measles and whooping cough most tragic of all is the increasing number of children dying from vaccine preventable diseases in the panic virus seth mnookin draws on interviews with parents public health advocates scientists and anti vaccine activists to tackle a fundamental question how do we decide what the truth is the fascinating answer helps explain everything from the persistence of conspiracy theories about 9 11 to the appeal of talk show hosts who demand that president obama prove he was born in america the panic virus is a riveting and sometimes heart breaking medical detective story that explores the limits of rational thought it is the ultimate cautionary tale for our time

using layman s terms and case studies the prostate sourcebook begins with some easy to understand background information on this vexing gland and proceeds with sensible advice about various prostate problems and treatments

the advantage series presents the feature method practice approach to computer software applications to today s technology and business students this series implements an efficient and effective learning model which enhances critical thinking skills and provides students and faculty with complete application coverage
