at the nexus of politics and policy development lies persistent conflict over where problems come from what they signify and based on the answers to those questions what kinds of solutions should be sought policy researchers call this process problem definition written for both scholars and students this book explains how and why social issues come to be defined in different ways how these definitions are expressed in the world of politics and what consequences these definitions have for government action and agenda setting dynamics the authors demonstrate in two theoretical chapters and seven provocative case studies how problem definition affects policymaking for high profile social issues like aids drugs and sexual harassment as well as for problems like traffic congestion plant closings agricultural tax benefits and air transportation by examining the way social problems are framed for political discussion the authors illuminate the unique impact of beliefs values ideas and language on the public policymaking process and its outcomes in so doing they establish a common vocabulary for the study of problem definition review and critique the insights of existing work on the topic and identify directions for future research

in 1998 the horrific murders of matthew shepard a gay man living in laramie wyoming and james byrd jr an african american man dragged to his death in jasper texas provoked a passionate public outrage the intense media coverage of the murders made moments of violence based in racism and homophobia highly visible which eventually led to the passage of the matthew shepard and james byrd jr hate crimes prevention act in 2009 the role the media played in cultivating shaping and directing the collective emotional response toward these crimes is the subject of this gripping new book by jennifer petersen tracing the emotional exchange from news stories to the creation of law petersen calls for an approach to media and democratic politics that takes into account the role of affect in the political and legal life of the nation

contributors from philosophy and political science discuss the observation that civility civic virtue tolerance and socio cultural unity have declined while exploring the nature of civil society the conflict between individual liberty and the common good and the role of law and government policy in weaving the threads of the

social fabric from publisher description

twenty five science experiments accompanied by questions which suggest ideas for more extensive science projects
